Treasurer's Report
2019 – 2020 Season

On behalf of the Executive Committee, I am pleased to present to the Members, the Centre's Audited Annual Financial Report for the year ended 31st March 2020.

The following reports provide details of WCLAC's financial position, income and expenditure, bank accounts and receivables reconciliation.

1. Balance Sheet
2. Profit & Loss Statement – with Last Year
3. Bank Reconciliation Report
4. Receivables Reconciliation Report
5. CBA Bank Statement – Cheque Account
6. CBA Bank Statement – Thunder Café Account
7. Bendigo Bank Statement of Term Deposit

Key Points / Highlights of the Season

Bank, Cash on Hand & Accounts Receivable: This season saw an increase in Bank, Cash on Hand & Accounts Receivable by $12,994.65 from $38,260.37 to $51,255.02. This increase was mainly due to the following factors; (a) having a full year of income from the running of the canteen, for both Little Athletics weekly competition and School Athletic Carnivals; and (b) new income streams including advertising and hire of equipment.

Fixed Assets: The value of Fixed Assets decreased by $5,153.13 from $40,708.94 to $35,555.81 as at the end of the 2019-2020 Season. The decrease is due to the write down of the value of our fixed assets by the amount of $11,946.00, including Stock of Uniforms and Canteen Stock to reflect a realistic value of the assets. The Centre made a further investment in the electronic timing gates of $8,994.81. This cost was offset by way of securing a grant from the Coles Little Athletics Community Fund of $4,677.09.

Liabilities: PAYG Withholding Payable. This amount of $11,604.00 represents the tax withheld from Canteen Staff wages. This amount has subsequently been remitted to the Australian Taxation Office and all payments are up to date.

Income: $177,225.88 (an increase of $102,01.50)

The following Income items experienced significant change from the previous season:

Canteen Sales: $136,806.15 (an increase of $91,542.95)
These Sales represent 77.20% of our total income and a full year of trading.

Registrations: $21,340.00 (an increase of $3,300.00)
This increase is a reflection in the growth of competitive members from 316 to 359.

Advertising: $2,050.00 (an increase of $2,050.00)
This is a new revenue stream reflecting local business advertising on the Canteens Electronic Menu Screens and the Telstra Race Clock.

Equipment Hire: $1,510.00 (an increase of $1,510.00)
This is also a new income stream representing the hire of electronic timing system/gates by schools for their Athletic Carnivals. Previously this service was provided by the venue manager and is now a wonderful opportunity for our Centre.

Grants: $4,677.09 (an increase of $4,677.09)
We were successful in our application to the Coles Little Athletics Community Fund for a grant to offset the total cost of $8,994.81 for the upgrade of our timing gates. The upgrade included new aluminum poles, solar battery power and new wireless speakers and start devices.

Expenses: $152,794.87 (an increase of $88,813.42)

Canteen Purchases: $51,617.59 (increase of $34,140.49)
This expense is purely attributed to the purchase of stock for the Canteen.

Canteen Staff Expenses: $58,677.10 (an increase of $48,202.10)
This amount represents wages payable to the Canteen supervisor and casual Canteen staff.

Canteen Lease: $9,095.58 (an increase from $0.00)
This represents the payment made to the City of Whittlesea for the 30% Profit Share.

Canteen - Affiliated Club Profit Share: $6,570.66
This represents the profits from our weekly Competition days, where the Clubs provided volunteers to assist the Canteen Supervisor with the running of the Canteen. Each of our 6 Affiliated Clubs receive an equal distribution of $1,095.11.

Operating Profit: ***$26,845.39** (an increase of $15,602.46)

The Centre recorded an Operating Profit of $26,845.39 for the Season compared to an Operating Loss of $11,242.93 in 2018-2019. This is largely due to the running of the Canteen operations detailed below.

***Adjusted Operating Profit** is $33,416.05 (after adding back the Club Profit Share distribution of $6,570.66).

Other Expenses: $11,946.00

We continue to depreciate our Fixed Assets to reflect a more realistic value. Depreciation was recorded as follows:

Asset	***Amount***
Finishing Gates	$2,000.00
Computers & Equipment	$2,000.00
Hurdles	$2,000.00
Sunshades & Tents	$2,000.00
Athletic Equipment	$2,000.00
Storage Shed	$1,946.00
Total	***$11,946.00***

Net Profit: ***$14,899.39** (increase of $13,656.46)

This figure accounts for the write down of fixed assets totaling $11,946.00 as detailed above. *It is important to note that this is not a "cash" loss from normal operations but simply a "paper" loss to reflect the reduction in asset values of the Centre.*

***Adjusted Net Profit** is $21,470.05 (after adding back the Club Profit Share distribution of $6,570.66).

Canteen Profitability Summary

Canteen – Affiliated Club Profit Share	$6,570.66	
Canteen – Coffee Machine Lease	$1,489.25	
Canteen – EFTPOS Fees	$268.95	
Canteen – Lease Expense	$9,095.58	
Canteen – Staff Salaries	$58,677.10	
Canteen – Utilities Expense	$880.53	$123,198.64
Canteen – Profit		**$15,175.01**

The above reflects a solid first full year of trading for the Canteen (adjusted Profit of $21,745.67 after adding back the Club Profit share). The result would have been even better if COVID 19 had not brought about the abrupt cancellation of all Athletic events.

We had stocked up the Canteen in mid-March in readiness for back to back track bookings until the end of March. This resulted in additional stock expenses and lost revenue due to these cancellations. We also lost income due to cancellations of equipment hire by schools.

The Canteen has proven not only to be a financial success but has enabled the Centre to engage further with our local athletics community by providing employment opportunities. It has also provided financial reward to our affiliated Clubs who can use these funds to support its operations and provision of benefits to its members.

We introduced the following initiatives to improve and streamline the Canteen operations:

- EFTPOS to accept credit card and debit card payments
- Point of Sale Software to assist with cash and stock management
- Monthly Stocktake

- Monthly financial reporting of Income and Expenditure to the City of Whittlesea
- Reduce the use of plastic through the introduction of biodegradable straws and forks
- Electronic Menu Boards
- Automatic Coffee Machine
- Catering for School Staff
- Environmental disposal of used cooking oil
- Introducing fresh and healthy food options
- Introducing Halal certified options
- Employing Staff who have a vested interest in the success of the Canteen thus ensuring a high level of customer service

For the upcoming year, we will address the following:

- Education of the staff to include the latest guidelines for COVID 19 hygiene practices.
- The implementation of relevant sanitisation practices
- Install Perspex barriers at the server counter to protect staff and customers
- Eliminate self-service of condiments
- Upgrade fridges and freezers due to their age/performance

The Committee agreed that it was in the best interest of the Centre to commit to the option to extend the lease for a further year from April 2020. Due to the COVID 19 pandemic, the Canteen has been closed since mid-March and we have missed many months of trade. We look forward to meeting with the council to discuss the extension of the lease for a further term.

Acknowledgements

I would like to thank Tony Newstead for his continued support, patience and guidance throughout the year. Your help is genuinely appreciated.
Thank you also to Cameron Lamb for his assistance with Canteen Stock and Payroll.

Yours Truly,

AUDITOR'S STATEMENT 2020

Whittlesea City Little Athletics Centre

I have examined the records and accounts of the Whittlesea City Little Athletics Centre including Balance Sheet, Profit and Loss Account, General Ledger and Bank Reconciliation for the period from 1 April 2019 to 31 March 2020.

In my opinion, the financial accounts provided by the Centre are a true and fair representation of the financial performance and position of the Whittlesea City Little Athletics Centre as at 31 March 2020.

COMPETITION DITRECTOR'S REPORT

Craig Chapman

Even though our season was completed & our U16's got to do their tradition sendoff lap in fine fashion at the last competition it was a shame that everything came to an abrupt halt due to COVID19.
Our Championship weekend was cancelled, the U9's missed out on experiencing their first State Track & Field event & the U16's didn't get to complete theirs with the traditional U16 LAVIC group photo as a sendoff memento for their LAVIC carriers. High's & Low's will come and go as this is the rollercoaster of sport & that being said, we still had a fantastic season in many respects!
With only one cancellation due to extreme heat, the weather was fantastic as well was the support from all the Parents, Event Chiefs, Starters, Walk Judges and Age Group Team Managers. For all your support throughout the season we are all truly thankful for your efforts!
This season we allowed the U6's to compete in 2 events (one Field & one Track) each week for practice as well as the usual ON TRACK component. We held our 2nd Nitro Event which incorporated clubs working together to accrue points for their respective teams, this event also held the Annual Whittlesea City Plate & Opening Ceremony with many Whittlesea City Councilors being present.

We ran 2 Sunday afternoon competitions to support the LAVIC Region & State Relay Competitions for our members. We also had a dress up day as well as Santa visiting our track on the last program of 2019. In our Relayathon for the RCH we completed 132 laps in a 3-hour period which was quite an impressive achievement by our athletes and parents!

Diamond Valley hosted Whittlesea City on the 30th of November which was reciprocated by Whittlesea City on the 29th of February. I'm hopeful that this tradition continues between the 2 Centers in years to come as it makes for good competition for the athletes and an opportunity for parents and athletes to get to know each other in our sport!

This season was particularly difficult for me due to many work commitments and I'm extremely thankful to Lisa Hegarty for stepping in and running a number of programs for the Centre in my absence, thank you Lisa you were truly amazing! Also special thanks to Joe Kampf & Shelby Rumley for setting up the competition on a weekly basis and to all the support personnel Sammy King, James Schroeter & Tony Newstead in ensuring the competition and program ran well! Thank you to Vahani & the On-Track Crew for their continuous support for On Track Program, it's very much appreciated and to Liz & Christian for running the Timing Gates each week, your commitment is very much appreciated!

It's been a real pleasure to support Whittlesea City Little Athletics over many years and I thank you all for your support! I wish you all the very best in the coming years as I'm sure the members of WC will keep supporting the next seasons program for all to enjoy!

Best Regards,
Craig Chapman – Competition Director 2019-20 Season

CHAMPIONSHIP & SPECIAL EVENTS REPORT

Darlene Clencie

Opening Ceremony

It was great to see all the clubs walking down the front straight with passion. Thank you to the Life members and City of Whittlesea Members for coming along.

7th of December Special Event

2 x Elite athletes Celeste & Steve come on this day and signed photos for Members. Thank you Andrea for locking these athletes in.

Championship Weekend

Unfortunately due to the Covid-19 we had to cancel this event.

Thank you again to all the Volunteers the kids get to compete thanks to you all.

Regards,

Darlene Clencie.

REGISTRAR'S REPORT

Cameron Lamb

It was great coming back to Whittlesea City after a few years away from Little Athletics.

Many thanks to Tony Newstead and the committee for welcoming me back.

LAVIC put out the challenge to all centers at the start of the season to at least keep pace with last year's registration total. Most center's around Victoria have seen a decline in numbers in recent years, so keeping pace at a minimum was a good goal to strive for.

I was delighted to inform the committee quite early in the season that not only had we passed last year's registration numbers, **we exceeded them by 12%!**

Season	Registrations
2018/2019	316
2019/2020	359

The clubs really did do a stellar job of promoting athletics and attracting new families to the sport.

The club break down, showing last year's number in brackets and % change, finished like this:

Club	Registrations	% Change
Epping	102 (60)	48% UP
Meadowglen/Lalor	22 (24)	8% DOWN
Metro	38 (29)	31% UP
Mill Park/South Morang	83 (93)	11% DOWN
Northern Stars	68 (72)	6% DOWN
Tigers	46 (28)	63% UP

I can also report that the retention rate for WCLAC (this is the number of athletes who returned from competing last year) was 63% in 2019/2020, which is a great improvement on the previous season (54%), and the best retention rate the Centre has seen since the 2014/2015 season.

REGISTRAR'S REPORT

Janina Chapman & Darren Condon

This year the role has been split between Darren Condon and Janina Chapman.

Darren would like to say a huge thanks to Janina for all her work this year. Janina would like to say a huge thanks to Darren for all his work this year.

And from both of us:
30 records were set this season (down from 42 last season). The lead record breakers were the Tiger's throwers Petalina Atoa and Qudre Tuakana-Kuki with 4 records each.

Our event champions for this season were

	Male	Female
Throws Champions	Qudre Tuakana-Kuki	Petalina Atoa
Jumps Champions	Jude Georgievski	Hayley Sposato
Sprint Champions	Noah Mika	Amelia Djeric
Distance Champions	Campbell Brooks	Layla Dela Cruz-Smaldon
Hurdles Champions	Isaac Malamatinas	Amelia Djeric
Walks Champions	Lachlan Rumley	Ela Uzun

The list of our season Age Group winners is available on our website. A distribution of the placings by club is provided below. MPSM has performed considerably better than their proportion of athletes predicts, and Epping has also done quite well.

	1st	2nd	3rd
Epping	7	6	6
Metro	0	2	5
Meadowglen/Lalor	0	0	1
Mill Park-South Morang	9	7	3
Northern Stars	4	2	4
Tigers	0	3	1

A sincere thank-you must go to

- The Northern Stars club room helpers for all their work entering and checking results; and to Maria Pirzas for keeping things running when we weren't around.
- All of the club ranks and records officers for keeping us on our toes with their questions.
- Catherine Lamb for her assistance during the combined events day (again!).
- The rest of the centre committee for all their support during the year.

Regards,

Darren Condon and Janina Chapman

ARENA MANAGERS REPORT

Lisa Hegarty

Wow what a challenging season we have had!! Unfortunately due to the Pandemic we were unable to complete our season. This for a large number of athletes has been shattering to not be able to compete at State and National Championships.

We have also postponed all our presentations until we can safely hold these or organise an online presentation.

This season I have had the job of Arena Manager and Assistant Team Manager for Whittlesea City. Arena Manager has been enjoyable and a very big learning experience for me. I have loved working alongside Competition Director Craig Chapman. I have certainly learnt from one of the best. Craig's dedication and love to little athletics and all the athletes is commendable.

I did have the opportunity of being the competition director whilst Craig was away for work. I would like to thank Sammy King, Cameron Lamb, Michael McBrien, Andrea Kewish and James Schroeter for assisting me at different times to run the programs each week.

I would also like to say a massive thanks to Joe and Shelby for setting and packing up each week and making sure everything technical is working.

I believe the gates have worked quite well and only had some ocassional issues.

I think the biggest issue we face is parent helpers. It's a constant battle each week to get parent support. Several calls have gone out until a final call with potential cancellation of the event. I think this is something going forward that we need to discuss further.

Sincerely,

Lisa Hegarty

Arena Manager

CHIEF OF OFFICIALS REPORT

James SCHROETER

Thank you to all supporting Club Chiefs this season. This was my first year performing this role with Whittlesea City Little Athletics Centre. Understanding the role was a challenge, ensuring New Chiefs understood their responsibilities and new parent's to competition feeling comfortable in volunteering to help.

This is the 3rd season we've asked Clubs to supply the Event Chief only and parent helpers being asked to support at the events. This system again proved to be a success in removing the extra pressure on Clubs to supply all the helpers for the events.

Whilst there have been times, we have needed to make a 2nd call for helpers, this did not hold up events any longer than waiting for rostered helpers not arriving at all or in time. Although my observations were that the same parents stepped up to assist when no one else came out.

There is no doubt that Clubs supplying new Chiefs each week can be challenging if they do not know how to run the event. The Chief of Officials should be called in these situations and Clubs should encourage new Event Chiefs to read the rules.

Again, a big thank you to Craig Chapman for updating all event folders with new rules and weights.

It is most helpful to have these references on hand.

The 8-jump rule implemented at Centre level has helped the athletes learn to make tactical decisions on when they should start jumping to ensure they do not run out of jumps.

Several Centre records were achieved this season which is wonderful. All Chiefs knew to contact a Whittlesea City official to ensure that the record was recorded correctly preventing any disappointments.

I am certain that there would have been more centre records achieved, however the Global COVID-19 (Coronavirus) Pandemic brought a premature closure to local and State competition, and the cancellation of Whittlesea City Championship weekend competition.

I would like to thank our Technical team for their efforts every week – Shelby RUMLEY and Joe KAMPF.

A special thanks to Mathew ROWE, Steve KALKBRENNER and Dimitrios VAVLITIS who helped set up and pack up almost every week.

I have nominated to perform this role for the new season 2020-2021.

It will be an interesting season ahead due to the pandemic and may see a delay to commencement of competition with potential modifications to competition rules or cancelled events.

Regards,
James SCHROETER
Chief of Officials

REGION DELEGATES REPORT

Tony Newstead and Jodie Rudston-Brown

The Little Athletics Victoria - Northern Metro Region (NMR) hold monthly meetings to share information with its Centre's regarding forthcoming region carnivals and updates from Little Athletics Victoria. It gives Centre's the opportunity to seek advice and obtain assistance in relation to little athletics matters.

The 2019-2020 season was completed with great success and professionalism. Region Carnivals were held for Cross Country, Combined Events, Relays and Track & Field at various Centre's across the Region.

This success is due to dedication of the NMR executive committee, its members, and with the affiliated Centre's of the region to coordinate, organise and deliver athletic competitions. The primary purpose to enable and afford our competitive members the opportunity to reach their full potential and qualify for State Championships.

We like to especially acknowledge the service of our Whittlesea Life Members: Caroline Peachey, Shaz Cairns and Cheryl Duff. Their continued commitment & support is greatly appreciated. To the NMR committee – thank you. They all continue to play a vital and integral role in the functions and tasks required to run the NMR competitions.

Finally, we would like to acknowledge our Whittlesea City little athletes. The Centre is most grateful to our Centre Team Manager, Sammy King, Assistant Team Manager, Lisa Hegarty and all parents, who assisted to fulfill duties on behalf of Whittlesea City at Region competitions. All have contributed in a small or large manner to support the fantastic performances of the athletes & the running of the competitions.

ONTRACK REPORT

Vaheni Sivakumar

This year's On Track season has been a jam-packed, educational and exciting one. This season aimed at incorporating skill development as well as participating in events and it has looked to work successfully. It allowed athletes to put what they were taught during the sessions to the test.

The first half of the season focused on developing basic fundamental skills such as running, jumping and throwing. The second half of the season focused on further developing those skills in relation to events.

This year's athletes picked up the skills very quickly, coming to each session with excitement and a readiness to learn.

I'd like to thank my team of On Track leaders who attended sessions each week to teach our future Olympians with patience and positivity.

Sincerley,

Vaheni Sivakumar

On Track Co-ordinator

State Track and Field

Congratulations to all the Athletes that Qualified for State Track and Field Please see Below Qualifiers. Unfortunately, we were unable to compete in the Event Due a horrible Virus I choose not to mention. Each one of you should be proud of your achievements and endless hours of training and use this as a chance to get even better and stronger for the next season. Please don't ever feel U did all that training for nothing as every bit of training you have done is only approving you for the years to come this will make us stronger and better athlete and want you to fight back even harder.

Let's Keep Strong Thunder and Fight back Stronger and Harder next season.

UNIFORM OFFICER'S REPORT

Shiv Attri

Season 2019 - 2020, was another great year for uniforms, we sold a number of singlets and some crop tops for athletes to compete under WCLAC at regions and championship. Sadly, we missed our Club, State T & F championship and cross country this year.

Current stock levels are as follows:

CHILD PROTECTION OFFICER REPORT

James SCHROETER

This was a very interesting season with some challenging moments for Club President's, Whittlesea Executive and Coaches. We saw some new behaviours from both parents and athletes that required the Child Protection Officer to challenge both parents and child athletes.

Something that was highlighted through the season was that of both parent's of athletes volunteering from smaller clubs performing roles to ensure the smooth running of the weekly competition, however this has then seen their child, athletes on the in field of the athletics track, loitering around start/finish line creating hazards for themselves and competing athletes.

As much as we require parents to assist with the running of competition, we will need to review our current practices to mitigate children not being called to events to be behind the fence to prevent competing athletes either being injured or injuring a child crossing the track or field in an area they should not be in.

There were a number of incidents of bullying that occurred throughout the season that required parents and children to be spoken to during the season.

I believe that in these instances and suggest there should be a requirement of both child and parents involved in the incident from both sides to undertake a Play by the Rules on line training module in relation to Harassment and Discrimination. Completion of this would be a requirement prior to athletes and parents returning to training and competition. Educating both parent and child should then assist in preventing this behaviour.

There was also an instance of a parent walking out to a Chief of an event to challenge their decision and not to their Club President to address the matter as required. This will be monitored in the upcoming season as this behaviour is unacceptable and will further stymie parents from volunteering to perform these roles if left unchecked.

The early end to the competition season provided another twist that was totally beyond all of our control and lead to a lot of athletes having to cope with something that a lot of their parents found just as challenging! ISOLATION.

I have been made aware from a number of parents of children learning to be resilient and also finding new ways to deal with their feelings. I however remind both parents and children to ensure that they talk about their feelings with someone they trust or call Kid's Helpline 1 800 55 1800. ***A problem shared is a problem halved!!***

I have nominated to perform this role for the new season 2020-2021.

Regards,
James SCHROETER
Child Protection Officer

CLUB REPORT

Firstly, I would like to congratulate all our athletes on a outstanding season. As per previous seasons, we have seen our children grow, develop their skills, coordination, balance, running, jumping and throwing. As President, I get great joy out of seeing our children develop their coordination throughout the season. These are life skills that we as parents take for granted. By bringing your children to athletics, you are helping them to develop a strong foundation for school, work, sport and life.

ELAC was established in 1980 and just completed its 39th season. ELAC upholds the motto "Family, Fun and Fitness" and welcomes parents, guardians and family members to be involved in the operation of Little Athletic competition by helping out at the events that we are required to manage. Whether this be raking a pit, measuring or retrieving a shot put, discus or javelin it is quite easy, and gets you much closer to the action!

For those parents that performed their duties during the season, thank you. Standout in this area with their dedication to supporting our children are as follows. Steve Kalkbrenner Chiefing the Triple Jump, Stuart Drummond and Dimi Vavilitis for Chiefing Javelin and Carmel Schroeter and Matt Rowe for chiefing Shotput.

I would like to take this opportunity to thank our 2019-2020 Committee for volunteering their time to our Club and ensuring that all of "the behind the scenes" work is done. We were fortunate to have an amazing Committee this season with many new committee members who all take great pride in performing their role and supporting our children. This season I would like to thank our coaching squad. Joe KAMPF and James Schroeter and Victoria Merry and Melinda Di Benedetto were an awesome help to me this season. I can honestly say that I couldn't have done it without them. They volunteered their time and knowledge to support ELAC. It is through their efforts that our athletes improve their technique and skill resulting in improved athletic performances. All of our coaches are accredited with LA Vic having completed the "Introduction to Coaching Course" or "On Track Course" as a minimum. They were all super excited to work

with your children this season and seeing many PB broken along the way. Looking forward to seeing more passionate parents joining our team next year.

I would also like to acknowledge Carmel Schroeter, Kylie Gravina and Rima Yassine for the large amount of work they took on during this season whilst and after a small hiccup in our committee We still managed to organise the Bunning's BBQs, Uniforms, Fundraising, Sponsorship, funfields and supporting me when needed which was a lot plus more. These things don't just happen and for that I am very appreciative.
Also, i would like to acknowledge team of people out on the track each week, Age Group team Managers Michelle, Victoria, Melinda and Jacinta and also Ezo,Ej ,James and for being our walk judges without you walks would have been close to dissolving. Thank you.
If there is any one I have missed I do apologise thank you all.

We had a number of new sponsors this season, a big thank you to all of them for jumping on board and supporting our club this 19/20 season. A super shout out to james Schroeter and the Nev Dhaliwal for your sponsorships throughout the season. And a HugeThank you to my mum Lyn King and Dad Shane King for always being there whenever I needed. Also Thank you to Jayden day for assisting in coaching and doing On Track

And Last but not least the most important I would like to congratulate every single athlete for going out there and giving it their all each week, having fun, Smashing PBS having a awesome attitudes, cheering on fellow athletes seeing the sea of red each week made me extremely proud. Hope to see you all next year.

Please do make sure you take the time to read through this ELAC handbook very carefully. It is full of loads of valuable information regarding the 18/19.

Best wishes & Good Luck to all our athletes for next season, whether with Little Athletics or seniors,

Kind Regards

Sammy King

Epping President

CLUB REPORT

Once again the season had a good start. Unfortunately, it came to a sudden end due to COVID 19. The unknown to when we will have our presentations and AGM's is still in the air.

We believe the season was once again conducted in a professional manner. We thank Whittlesea City for all their hard work in orchestrating the 2019 / 2020 season. Unfortunately, now only time will tell when we can get back to normal.

On Track was enjoyed by the Under 6's who were taught loads of skills in the form of great activities for their continued Athletics journey with a few untimed races thrown in.

Unfortunately, due to not all ages groups being represented by Meadowglen / Lalor this season, the outcome of all our athletes to compete each week with their friends and build on their personal bests, have fun is a wonderful achievement and hence we congratulate them all.

Overall, from a Club perspective, we feel that the Centre did a wonderful job yet again in calibrating the season for all the clubs, under the circumstances.

Thank you from the
Executive Committee, Athletes and Families

CLUB REPORT

I firstly would like to thank the Metro families for your commitment to coming to athletics each week and your support.

WOW, What a season we started off strong and had a wonderful time during the 2019 – 2020 season. The season was unfortunately cut short due to the Covid-19 virus however we still had wonderful times and great memories.

The running of Metro is a team effort and I am proud to say that there is a dedicated group of parents, working together to ensure our season went well and that we had a productive and enjoyable time throughout the season. You certainly don't go unnoticed and we appreciate it.

I would like to congratulate the Metro committee. (Rodney, Sarah, Linda, Sofi, Solvej, Matt, Megan & Kim)

We had a few challenges as we were a smaller club and had a smaller committee however, we still made it work.

We had a wonderful Christmas party at Kidspace play centre in Epping and 3 Bunnings fundraising BBQ days that I would like to thank families who attended and donated their time. Without these fundraising events we are unable to fund our activities and events.

This season we have seen many kids grow, learn and have loads of fun…

Records have been broken and many kids achieve their personal best.

You have all been amazing and I have loved watching you achieve your best each and every week. You have all achieved many PB's and some outstanding Records.

You should be all proud of the sportsmanship and team spirit shown each week.

I am so very proud of you all and I hope that you continue on next season.

As president, my aim this year was to do all that I can to ensure the atmosphere was fun and that every child is considered a valued and important part of Metro. It was my aim to work with the committee to build relationships amongst members and strong bonds amongst the athletes and their supporters.

We will have many wonderful families end their time with us, as their kids will move on, however please know that you will also be welcomed and apart of Metro little athletics family….

We hope that all Metro Families continue to show their dedication and support.

I Thank you for your patience and I ask you to think of Metro going forward.

Athletics relies very much on volunteers, so I hope if you are coming back next season that you would try and be a part of the Metro family. (It is very rewarding)

I hope you and your Little Athlete/s have had a great year and hope to see you for the 2020 – 2021 season. Keep health and stay safe.

Thank you

Club Report – Season 2019/2020

WOW, what a season!! Whilst we acknowledge the unfortunate abrupt end to the season, let's not forget the amazing 18 weeks of competition, Region Championships, Relays, Nitro events, new friendships, special memories, and a bucket load of personal bests.

The Season started out well, with a registration day combined with the Centre. It was great to see both new and familiar faces with lots of excited athletes to start the season off.

Hoping to generate new athlete registrations and prompt the re-registration of returning families, registration advertisements were posted in some of our local school newsletters and via social media networks. Mobile advertisement on the back of a local bus thanks to our major sponsor, The Dyson Group, was also seen throughout the area.

Despite the Committee's efforts, our athlete numbers did slightly decrease. MPSM achieved 83 financial members for the 2019/2020 season which comprised of 44 (53%) boys and 39 (47%) girls. Of these 83 financial members, there were 50 returning athletes (equating to 60%) and 33 new athlete registrations (equating to 40%). 63 families were represented.

Although there has been a slight decrease of athlete registrations compared to last season, it was noted that the male registrations fell by 4%, and the female registrations increased by 4%, compared to last year.

After speaking with some of our non-returning families/athletes, the main contributing factors for athletes not returning was that some of the athletes were still struggling with the age group promotion, and this combined with a decrease of interest – particularly amongst the older age groups, with others wanting to try/join/continue with another sport.

With the appointment of Trevor Croughan, a Whittlesea Council assigned Track Facility Co-Ordinator, we have been able to continue to enjoy our resurfaced track, and its facilities.

MPSM achieved an average participation rate 60 athletes each week (73.39%). This participation resulted in 1,100 recorded PBs and 35 Club Records, with some records being 10+ years old!!

We farewelled a number of U16 Athletes, many whom have competed for the Club and represented WCLAC at many Regional and State events. Congratulations to: Alana Chapman, Kimberly Condon, Hannah Prendergast, Shehana Wijesundara, Marcus Ackar and Shavani Mainelli. Their dedication to the Mustangs has been admirable and we wish them all the best in their future sporting and academic endeavours!

With life still moving along as an unknown, and implementation of a 'new normal', we took the opportunity to officially conclude our Season and hold our A.G.M and Trophy presentation with an online Zoom meeting. It was a huge success and we were able to celebrate our athlete's achievements to conclude another successful year at MPSM LAC.

Our 2019/2020 Season could not have been as successful as it was, without our amazing and dedicated Committee! A big thank you to every one of you. These volunteers have supported me, each other, our athletes and our families, each and every week. With the additional task of rostering a volunteer on for Canteen duty as well as our weekly Chiefs and volunteers, it meant that we were often stretched quite thin at times, but with their willingness to help and their continued perseverance, we got through the Season together.

To the Committee members who will be returning next Season, as well as any new parents wanting to join us, I look forward to working with you to continue to grow our Club and support our young athletes.

A special mention to our Sponsors and Supporters; Craig Chapman and NGA (Next Generation Athletics) for his sponsorship, the Groove Train at Plenty Valley for catering for us and allocating us the space to have our monthly Committee meetings, Quality Foods, Tempur, Lets Go Kids, Dysons, Smartline Mortgages, Scent 2 Please, Bunnings, and Altegra. Your support is very much appreciated, and we look forward to working with you again in the 2020/2021 Season.

Finally, congratulations to all of our MPSM Athletes that participated during the season! You should all be very proud of your achievements. We certainly are!!

We look forward to returning to the track for the 2020/2021 Season and look forward to seeing you all again for another great season of little athletics!

CLUB REPORT

Congratulations to all our athletes for amazing performances and so many personal bests over the season, it was outstanding! You made us all so very proud.

To all the parents that helped out during the events for our athletes, deepest gratitude as without this the events cannot be run and to the parents that were High Jump chiefs, you were incredible.

Thank you to Bryce Hoffman and Dean Klein for providing consistent and well planned training for the season and so many of our athletes for attending, learning new skills and making friends.

I would also like to say a huge thank you to the parents that made up our committee for the season, all your help throughout the season made light work for all of us, so thank you so much. A special mention to Sarah Martin for all your ranks and records work, recognising all our athletes Personal Bests and organising our Presentation Trophies.

A special thank you too for the parents that helped out with the cafeteria and the recording room through the season, you were always there ready and waiting to help!

Thank you to our sponsors for the 2019/20 season and all our parents that donated to our raffles, your generosity was amazing!

To all our athletes that competed at Northern Metro Region Championship congratulations on all your efforts and those that made it through to the Victorian State Championships that didn't go ahead for the safety and health of all, start planning your goals and dreams for our next season.

Lastly, I would like to thank our life member Maria Pirzas for everything she does for our club, we really wouldn't be here without you!

Kind regards,

CLUB REPORT

We went from 26 Registered members last season to 46 Registered members this season which was great numbers for such a small club! The hard work of the new committee spreading the word and recruiting really paid off. This season we had a lot of new members and all athletes showed great sportsmanship, determination and commitment and most of all they had a lot of fun. We were very blessed to be sponsored by the "Roxburgh Park Hotel" who helped subsidise our new athletics tops which was a great hit amongst our little Tigers. Their sponsorship also assisted to help cover the cost for an Athletics Coach to coach the Tigers club this season. The Roxburgh Park Hotel and Greenbrook Pizza also helped subsidise drink bottles and a training jacket for each Tiger. For our raffles we were lucky to have our prizes sponsored by: Lazy Moes, Costco, Officeworks and Di Caprios. We thank our sponsors and we are grateful they helped our Tiger athletes.

Throughout the season our little Tigers settled in and achieved some amazing results. A lot of our athletes broke many old Tiger club records which was a fantastic effort by all. There were also some long standing Whittlesea records that were broken by our Tigers.

Congratulations also to our 17 Tigers athletes who represented our club at Regionals and to the 11 Tiger athletes that qualified to represent at State. This is an awesome achievement for our small club and for all the athletes involved. We bid farewell to our awesome Under 16 athletes Ajani NanaiMauga, Alizae TuakanaKuki, Leviticus Amiatu, Denny HeatherNasilai and Petalina Atoa as they move on from Little Athletics and thank them for participating throughout the season and being great role models to our little Tigers. We wish them well in their future endeavours.

We would like to thank all our Tiger parents and families for all your support and for bringing your children down to compete every week and for volunteering. Last, but certainly not least, to our little Tigers. How amazing each and every one of you were this season. With Personal Bests smashed week after week, your achievements and accomplishments spoke volumes. We have no doubt you all enjoyed yourselves this season and we look forward to even bigger and better achievements next season...Go Tigers!!!!
