Moorefield Womens Bowling Club
Newsletter January 2016

Just a few items that may be of interest to any women bowlers or anyone who may wish to join us any Saturday morning – we start at 9ish with a cuppa and bowls starts at 9.30am. Visitors are always welcome and bowling ability and/or experience is not necessary. We will be starting pennants soon so best to check if we will be around over the next few months – just call or email to see if we are playing pennants or not on the Saturday.

Australia Day was a lot of fun and we were all heavily involved. The day started with bowls, then a barby, then more bowls, trivial pursuit and then Karaoke and dancing. I think just about everyone had a good day – I know I did. Congratulations to the winning bowls team on the day which included our own Sue! Well done to everyone who attended.

Cheers, Deb
