COMPETITION DITRECTOR'S REPORT

Cameron Lamb

It has been my pleasure to serve as Competition Director for this my 2nd season in the role.

With lots of new things introduced last season this year was more about consolidating those good ideas with a few more tweaks to see if we could deliver an even better athletics experience.

The Multi Day introduced last year must have been an OK idea as LAVIC launched it as a compulsory event across the state! The date was mandated so we went along with that and it was a successful day. This year we introduced sashes for the place getters and these were a hit.

The association announced future High Jump changes and whilst we were not required to act immediately, we agreed that introducing the "scissor only" technique for the Under 8's was the smart play. This is consistent with coaching and training philosophies aimed at helping young athletes develop good technique and compete safely.

Turbo Javelin was introduced for the first time at our centre. The Under 10 athletes threw a lightweight foam Javelin a year ahead of their eventual Javelin careers as Under 11's. This of course allows for training and some light competition in the lead up to the real thing.

The 300m circular run was officially re-introduced into the permanent program. I believe it was well received although I did witness a mixture of smiles and tears on the faces of the Under 7's and 8's as they ran past!

Further compulsory rounds were added by LAVIC. The first one was an Induction Day at the start of the season, designed for new families to come out and learn how athletics works in a more informal setting. The day was not particularly well attended and perhaps we will just kick off our normal season next year the way we always have, and simply label week 1 as Induction Day.

The other compulsory round was the Relaython and this was a great success. A really exciting night that included a visit from 10 Western Australia Athletes from Inglewood LAC.

Overall the program did achieve balance with the final two weeks being custom programs to make up for lost events. Unfortunately there were quite a few due to 3 official wash outs, one half wash out, and a further lost day due to extreme heat and wind.

Much gratitude goes to the superstar competition team who make it all happen. The list would be too long to mention but I do want to single out Paul Annetta our new Arena Manager who jumped into the role enthusiastically and did a wonderful job.

I have dearly loved being your Competition Director for the past two seasons. It's been a blast. I will not be continuing in this role next season but will be around to help whomever my successor is.

Sincerely,

Cameron Lamb
Competition Director

REGION DELEGATES REPORT

Anthony Valle and Craig Chapman

The Northern Metro Region Athletics season for 2015/16 has been completed with great success and professionalism. This doesn't happen on its own, but does with the dedicated, committed volunteers of the NMR executive committee, its members, and with the affiliated Centre' of the region to coordinate, organise and deliver athletic competitions. The primary purpose to enable and afford our little aths kids the opportunity to reach their full potential and qualify for State sanctioned competitions.

We like to especially acknowledge the service of our Whittlesea Life members Caroline Peachey (Chief Starter), Frank Peachey (Arena Manager), Sharon Cairns (Referee, Asst Arena Manager & Liaison Officer), Cheryl Duff (Recording & Officiating), and Phil Atkins (Technical Manager). Their continued commitment & support is greatly appreciated. To the NMR committee: President - Gwen Timmins, Kathleen Marsh – Secretary, Competitions Director - John Mills, Carol Timmins – Recording Officer, Sue Grange – Chief of Officials & Treasure, Sue Mills – Liaison Officer. They all continue to play a vital and integral role in the functions and tasks required to run the NMR competitions and we thank you for your support and efforts throughout the 2015/16 season.

We also like to acknowledge the contribution and service of Sam Barbuto, and Sue Grange (Treasurer) who have contributed so much over the years to their specific roles for NMR. We thank you and wish you well in your future endeavours.

It was with much disappointment this season to NMR and its affiliated Centre's to be advised that the U7/8's and U16's age groups were to be discontinued at region competitions, to be replaced by a Carnival Day for the U6 – U8 age groups. This was also a catalyst for many other underlying issues, between the Association and its member regions. The lack of adequate process, poor communications, notice and direction prevalent and common. The NMR certainly seeks improvements and progress on all these issues moving forward to better deliver on its purpose.

The NMR Region again supported the Centre's through subsidies for Introduction to Coaching & Officiating Courses. It also completed the purchase of a new bigger and better trailer to accommodate all equipment and logistics for the region.

We especially acknowledge another fantastic season of performances from our Whittlesea athletes, who again set new standards of improvement in their athletic endeavours. The Centre is most grateful to our Centre Team Manager Craig Chapman for his service, leadership, and commitment to the many and varied tasks and obligations required to be fulfilled during the course of all Region competitions. We thank the many helpers to Craig and all parents, who assisted to fulfill duties on behalf of Whittlesea City at Region competitions. All have contributed in a small or large manner to support the fantastic performances of the athletes & the running of the competitions.

Anthony Valle and Craig Chapman
Region Delegates

COMMITTEE OF MANAGEMENT
MEADOWGLEN INTERNATIONAL ATHLETICS STADIUM (COMM)
DELEGATES REPORT

Jim Bannan

The Committee of Management Meadowglen International Athletic Stadium (COMM) consists of members from Whittlesea City Little Athletics (2 delegates), Whittlesea City Athletic Club (2 delegates), community representatives, A member from the City of Whittlesea Leisure and Community Engagement Department (Callum Dean / Kathie Schnur); City of Whittlesea Councillor (Mr Darryl Sinclair) and the Manager of MIAS (Mr Phil Wadeson).

Critically, there are restrictions to our athletic activities caused through the prime responsibility for the building and facilities lies with the City of Whittlesea. Whittlesea City Little Athletics is a facility user, an important one, just like many of the other users of the facilities and it has been important to nurture and develop the relationship between the Centre, the City of Whittlesea and the facility manager to ensure maintenance and development of the current facilities, and planning of developments into the future.

The Committee of Management has been very successful in establishing a good relationship with its many users and this in return has created an income stream that assists in financing many of the works around the facility. It was wonderful to see in addition to this work, the City of Whittlesea funded development of the much awaited amenities facility that included a new meeting room. The new room will be an awesome addition to facilities for competition, training and functions

We also saw significant funding to power wash the track which was very welcome, track markings repainted, the improved attachment solution for the track inside running plinth and repairs, improvements to the removable jump boards and repairs to the track lighting. There has also been a number of other minor works undertaken, particularly by Mr Phil Wadeson and members of the Centre, that have improved the facilities. Mr Craig Chapman – shot put stop boards and Mr Ken Buckland – throwing sector markers are part of the works for the Centre that benefit all users.

Importantly, the ongoing discussions for the possible track redevelopment continue. It will require everyone to remain positive about this very necessary and important redevelopment for the region as a whole. We are hoping that the budget funding to be announced in the near future.

Jim Bannan

COMM Delegate

TEAM MANAGER'S REPORT

Craig Chapman

The 2015 - 16 season for Whittlesea City was absolutely Superb! As a Centre we performed incredibly well across the board in so many areas! Athletes, coaches, parents & officials all played a part of our success this season. Congratulations to everyone that was involved and thank you all for participating and supporting the events that took place throughout the LAVIC season. Special mention to Jim Bannan who supported me as our assistant team manager parent roster duties. Thanks Jim it was truly appreciated! To Cameron & Catherine Lamb in their support in constructing the State T&F roster. To our Relay Coaches: Andrea Kewish, Jim Bannan, Cameron Lamb & Megan Audino, , thank you all for your support in Team Managing age groups at Region & State Relays. I believe together we made these events a huge success! Thank you to all the WC Publicity personnel for all your efforts in relaying messages through the newsletter, reports & advertising for Whittlesea City, I believe we got the messages well across the board to all concerned. To all the Parents & officials, thank you for your continued support at these events, without your support it wouldn't be possible to run, it's been a pleasure getting to know & to put a name to the faces that we see so often. We hope to see you all again next year for another successful season at WC.

Region Multi's: 36 Whittlesea City Athletes entered and rallied to defend and bring home the Bernadette Barnett Memorial Trophy for the third year in a row at the Hume athletics track! This was a fantastic result for our Centre and was pleasing to parents & athletes encouraging one another throughout the day! Our athletes really enjoy this event and we are hopeful they can continue their great form & make it Four in a row, Congratulations Whittlesea!!!

Whittlesea City Region Multi Athletes - Winners of the Bernadette Barnett Memorial Trophy 2015

Region & State Relays: Whittlesea City had 77 athletes enter to make 51 teams to compete at the Region Relays and we had some amazing results! We achieved 12 Gold's, 14 Silvers & 8 Bronze medals at the Region Relays held at Essendon. We also broke a Region record in the U14/15 Girls Medley!

We also had athletes support the NMR region teams that were formed by the region to make relay teams so all kids get an opportunity to compete at region/state. Thank you to those athletes that support the NMR teams!

Special Thanks to all the parents that supported with the setup and pack up so our athletes/parents had an area to go to so they can relax and enjoy the WC athletes competing from the WC environment.

To follow these great results we had 34 Teams qualifying for the State Relays which was a new centre qualifying record for WC! At State we equalled our previous season performance with 8 State Medals in total: 2 Gold, 4 Silvers & 2 bronze medals. An Absolutely tremendous performance from our athletes at the 2015 State Relays!

State Multi's: Whittlesea City had 19 athletes compete at the 2016 State Multi Competition held at Bendigo, Knox & Yarra Rangers in January/February & March. As the Sunday event was rained out in Bendigo the U15's competed a week later at Knox and the 12 - 14's competed at Yarra Rangers in My Evelyn in March. We had a great out come with Damien Furlong finishing 2nd overall in the U14 Boys, Shehana Wijesundara coming 3rd overall in the Girls U11, Alyssa Bannan - Girls U14 in 4th place & Mitchell Langborne finishing in 8th place to make the Top 8. All athletes competed extremely well, congratulations to all that competed in what was a great event of athletics for all!

Region & State Track & Field: 79 WC athletes competed in the U9 – U15yo age groups . 64 Athletes advanced from the U9 – U15yo age groups to State which was an absolutely fantastic result for Whittlesea! A worthy mention to U11G Shehana Wijesundara who broke 4 region records in the 60MH, 80MH & LJ & TJ events & to U11B Mitchell Langborne who broke the 800m and to U10B Thomas Sims in the HJ who both broke NMR records. Congratulations Shehana, Mitchell & Thomas! Whittlesea City had many more fantastic performances with many athletes achieving PB's! States was looking very exciting for our athletes.

Casey Fields 2016 was a weekend worth remembering for Whittlesea City when we brought home another WC record haul of 21 Medals in total: 7 Gold, 9 Silver & 5 Bronze Medals! Our athletes were amazing as many were positioned in the final 8 which was extremely pleasing to see! U11G Shehana Wijesundara continued her impressive form with 2 Gold and 2 Silver medals as well as a VBP in the 60m Hurdles.

Thomas Sims in the High Jump backed up his Gold medal performance from the previous year & Ellie Kewish Jumped her way to Gold in the U11G High Jump event as did Alyssa Bannan in the Girls U14. Congratulations Thomas, Ellie & Alyssa. River Walker won gold in the U9 Boys SP and U14B Ethan Lamb had a gold medal around his neck with a fantastic run in the 90m Hurdles. Congratulations on a superb effort from all these athletes! With our athletes training hard throughout the season it was pleasing to see so many make it into the finals and stand on the podium! This couldn't have been done without the support from Parents & Coaches which has certainly helped our athletes compete at a level that rivals the rest! Congratulations to all the other medal winners and athletes that competed at State, it was truly an amazing performance by all!

Finally - Congratulations to all the Whittlesea City Athletes that participated this season & for making it a most memorable one! All the very best over the Winter break, looking forward to seeing you all again for another warm & sunny new season in 2016/17☺.

Best regards,

Craig Chapman,
Whittlesea City - Team Manger

CROSS COUNTRY CO-ORDINATOR'S REPORT

Jim Bannan

Cross country returned this year to the WA Smith Reserve in Lalor after many years of absence. The Meadowglen Reserve was used when the Lalor course was not available (about every third week.) The Lalor venue provided a moderately challenging course with a picturesque view of the competition races. It was well received by athletes and spectators alike.

Sixty athletes competed at various stages throughout the season. This year training was held on Tuesday nights at the athletic track and this was consistently well attended by 20 to 25 athletes. Thank you to Bryce Hoffman for his regular assistance with training, to the parents who were called upon to assist or manage groups in training activities, to Simone, Kim, Shelby and Tony who regularly helped with BBQ's on training nights and to Megan and Zelda who managed the "Thunder Café" to provide hot and cold drinks.

We conducted a comprehensive program with scratch races, handicaps, handicap starts, themes days nad specialised events. This included the President's Cup Team Handicap event at WA Smith Reserve, Rainbow Day races at Meadowglen Reserve, State Cross Country Championships at Westerfords Park in Templestowe and the Champions of the Mountain races at Hawkstowe Reserve, Mill Park.

Thank you to all our parents and supporters who made the season possible.

- Scott, Hudson, Charlotte, Shelby and Tony for their valued assistance in setting up courses.
- Kim, Megan, Zelda and Derek for running the "Thunder Café" to provide food and drinks.
- To Val and Cheryl and Simone for running recording and particularly to Val for her splendid record keeping.
- Maria for running timekeeping. Kim for Finish Marshall duties
- Narelle for taking all those wonderful photos and posting them on facebook
- Darren for taking care of our financials
- Michelle for looking after first aid duties when it counted most
- Cheryl for donating AFL footy tickets to raise funds for cross country
- To our wonderful; parents who went out and officiated around the course, helped at our Masters BBQ day and joined in and had some fun with the kids.
- To Callum Dean and Karen Jack at the Council offices for their assistance in accessing the WA Smith Reserve to compete this year.

Our.thanks to Mr Phil Wadeson, Manager at MIAS, for his support and collaboration through the season as the team redesigned the cross country running courses. He does whatever is necessary to make things as easy as possible for us without any fuss

And finally, the athletes. They make the season what it is. Their endeavours, their trials and tribulations, their pursuit to be a bit better every time they step out on the course. And importantly, their continual quest to have a bit fun. Thank you for the memories.

Jim Bannan

Cross Country Co-ordinator

COACHING CO-ORDINATOR'S REPORT

Andrea Kewish

I would like to thank all the accredited squad Coaches and Club Coaches who have supported our WCLAC Coaching program this season.

With the squad and club Coaches commitments to training and further self-education, Whittlesea City athletes had a successful year at Relays, Multis and Track & Field.

Thank you to Coaches who committed their time and efforts to WC athletes this season- Jim Bannan, Craig Chapman, John Forbes, Frank Peachey and Nick Magnisalis.

Special thanks to Maureen Reynolds for supporting our Centre this year. Maureen conducted approx. 7 sessions this season prior to Christmas with a combination of sprints or hurdles.
Maureen has a tight calendar across a number of venues and this was very much appreciated. Unfortunately the overall support was not there from WC athletes to attend these sessions.

Maureen continues to Coach 8 WC athletes. We will re visit Maureen's attendance at WC in future should the demand of her qualifications and experience be there.

The Centre continued to provide financial assistance to Clubs this season for coaching course attendees.

On Track:	8 attendees
Introduction to Coaching Course:	6 attendees
Level 1 Accredited Course:	1 attendee

Thank you to Philip Wadeson and the COMM for their support towards our program.

Sincerely,

Andrea Kewish
Coaching Coordinator

ON TRACK CO-ORDINATOR'S REPORT

Andrea Kewish

This season we saw our On Track program enter its 2nd year. The U6 athletes competed Level 1 and the U7 athletes competed Level 2.

Thank you to our committed On Track Leaders - Zach McCasker, Keely Henderson, Lachlan Lamb, Joel Rowe, Shania Murray, Vaheni Sivakumar and Leah McIntosh. Your contribution has been greatly appreciated.

Next Season Mike Robins will be our On Track Coordinator. Mike has an athletic background and will be well suited to this role.

I will provide a supportive handover of the program to Mike prior to the new season start.

Mike will attend both a Coaching Course and On Track course prior to the start of the season.

Like most great programs, we can always try to find a way to improve. My suggestion to Mike will be to provide "at event" training after the first few weeks of the On Track program commencing. We can provide some training and let the athletes have a measured jump or throw. This will provide more of a supportive learning experience and help keep the athletes
Engaged in the program.

The 2015-2016 On Track Leaders have been emailed Expressions of interest for next season. I have also posted to face book and emailed to Club Secretaries. I'm confident we will have a good team of supporters.

Sincerely.

Andrea Kewish
On Track Co-ordinator

UNIFORM OFFICER'S REPORT

Heidi Colson

Season 2015-2016, it was a wonderful opportunity to meet all different family members of the Centre. This season we sold 35 uniforms.

The Centre decided to donate 20 hats and 9 tote bags to the families and athletes that visited from Inglewood LAC, Perth, WA Club Swap

On the night of the 5th February 2016, Inglewood visited on Jetstar Club Swap, and a very special guest, Little Athletics Victoria, CEO Dean Paulin and LAVic mascots, he was very impressed with all our athletes with the correct Jetstar patches on.

Congratulations everyone at WCLAC for looking great.

We are looking forward to a wonderful Cross Country season.

Kind regards,

Heidi Colson
Uniform Officer

FUNDRAISING REPORT

Tony Newstead

I completed the Fundraising Roster for the Season and distributed this to all the Clubs.

To ensure fairness I have adjusted this from last year by moving each Club down one week (i.e. Club which was 1st week last year has moved to 2nd week this year etc) and have moved the last (6th week) Club to 1st.

Unfortunately, due to weather conditions a number of weekly competitions were cancelled and this will need to be taken into consideration when preparing the roster for the 2016-2017 Season.

This Season we were able to raise monies for the Centre primarily via Raffles and BBQ's. The amount of $2,254.90 was raised.

The highlight of the year though was the "Relaython" which was a major fundraising event for the Royal Children's Hospital Good Friday Appeal .

Despite the short notice, the Relaython provide to be a great success!

Thankyou to all the various helpers who helped with a special thankyou to Catherine Lamb for organising everything to do with the with the "lolly jar" activity including sales on the night, Cameron Lamb for his ideas and coordinating the Relaython with weekly competition, Vince Barca for managing athletes to the Relay points, to the On Track Leaders for helping out at the Relay Points and to the Club Helpers who assisted on the night.

We achieved 135 amazing laps of the track during the 3 hour Relaython. This smashed our target of a "Marathon" of 106 laps - unbelievable effort!!

Our fundraising activities were extremely successful with donations received from all 6 Clubs, Centre, COMM as well as Gold Coin donations on entry, sale of Glow Jewellery and lolly jar guesses.

The Centre raised an absolutely amazing amount in excess of $4,000 and was ranked in the Top 10 Centre's in the State.

Thank you one and all!

Tony Newstead
Fundraising

NOTES

RECRUITMENT REPORT

Narelle Cullen

Congratulations to all our athletes this season. It was great to see many great performances achieved by all and wonderful results at Region & State Championships.

Thank you very much to the clubs who were active in recruiting new athletes to our Centre in the off-season as well as working on retaining existing athletes. The information stands at Westfield Plenty Valley were a great example of how to promote little athletics and answer any questions for families. Facebook, TeamApp and Club Websites have also been very helpful for the communication of information.

Thank you to our Committee members, who have put in a substantial amount of time and effort, to ensure the smooth running of this Centre. Thank you to Darren, Cameron & Andrea for maintaining the Whittlesea City Website. We have received many registration enquiries through our website and families are pleased with the amount of information we provide.

The Northern Star Weekly has again been very supportive this season, printing articles about the results from Region & State Championships as well as an article online this season. It's been great to see more exposure for little athletics in one of our local papers.

Barry Plant Epping have also continued their support in providing an advertisement board displaying the details of our registration day. Registration day was also advertised in the 'What's On' section of the Whittlesea Leader newspaper for a couple of weeks which was free of charge and all primary and secondary schools in the City of Whittlesea were emailed with details of our Registration Day to display in their newsletters.

I also hope everyone has enjoyed looking at the photos I took during the season of our athletes. All photos were posted on the Whittlesea City group page. It is great to capture the smiles and determination on their faces and family and friends can also share in their success and enjoyment.

I'd like to encourage all clubs to again be proactive in advertising and promoting little athletics for the 2016/17 season and would love to see number of athletes increase even more.

Narelle Cullen
Recruitment

CHAMPIONSHIP & SPECIAL EVENTS REPORT

Andrea Kewish

Another season of special events to keep the excitement level up at Whittlesea City!

Here is a summary of those events:

Opening Ceremony

The athletes were totally engaged and the day was a success, which included the 2nd installment of the Whittlesea City Gift, and a visit by two elite Australian athletes.

Thank you to Brooke Stratton and Eleanor Patterson for visiting our centre. Brooke has had a successful season breaking the Australian Long Jump record and placing 5th at the World Indoor Championships.

Both ladies have qualified to represent Australia at the Olympics in Rio. We wish them all the very best.

Congratulations to the brother and sister team of Divine & Hope Vili on their wins in the Whittlesea City Plate.

Jetstar Round

This round of competition included an orange them and the athletes went to some real effort. You looked amazing!

Jim Bannan went to considerable effort to lay out a star shape in the middle of the field and we got a terrific photo taken.

Relaython Round

The relaython was new for us and it was great fun with athletes and parents joining together to run 135 laps of the track, easily smashing our target of a “marathon” 106 laps.

Thank you to Tony Newstead for the amount of work he put into organizing the fundraising side of this round.

Thankyou to Catherine Lamb, Cameron Lamb, Vince Barca and the On Track leaders for their support and organisation of this event.

Thank you to all Clubs and Meadowglen International Athletic Stadium for their generous donations, and to the Athletes who went to the effort of generating online donations. The total raised was $4063.69. All proceeds were donated to the Royal Children’s Hospital Good Friday Appeal.

It was a fabulous night as we were also joined by athletes from Inglewood LAC from WA as part of the Jetstar Centre Swap. We were lucky to have been part of this. Mischa Atkinson from Epping drew a magnificent Little Aths picture and won this competition, which included herself and 9 friends also travelling to Perth.

Multi Round

Thank you to Darren Condon, Catherine Lamb, Cameron Lamb and the competition team for what was a fantastic 2nd WC multi day. The athletes spent time looking at their progressive scores and everyone seemed to enjoy the day. Beautiful sashes were awarded to the 3 place getters for each age group.

Championship Weekend

This season the Centre fully funded Championship weekend. A record number of entries were received and due to the hard work of the competition team the weekend ran super.

Far too many to thank for that weekend I'm afraid!

Sincerely,

Andrea Kewish
