So that new archers can shoot and score a 20 metre round on the Tuesday Twilight shoots in the limited time available, a new round has been created in Archers Diary, it being a 20 metre 72 arrow round, appropriately named AAC 20/720.

This will allow new archers to come out to the Twilight shoots and score using Archers Diary, should they wish to do so. All they need to do is to log in as normal, enter the flight, then scroll down to find that round. We can help them if they are bewildered.

JAMES AZLI'S MARKET DAY

You may recall the fund raiser that James Azli had running for the past few months where he turned broken arrows into pens and sold them at a school fair. He managed to sell 70 pens and lots of other stuff.

He made a total profit of \$213.10 which he donated to the club. WELL DONE, JAMES, AND THANK YOU

CHRISTMAS BREAK UP SHOOT AND BBQ

We were blessed with beautiful weather for our break up shoot, and many club members and their families came along for the day.

The juniors shot in the morning and the seniors (and some juniors) in the afternoon.

The 'Tournament of the Bows' was a great success, and the 36 arrow event was just long enough to be fun and fiercely fought.

In between there was a delicious bbq lunch, with a wonderful variety of salads, and cakes for dessert. This was followed by trophy presentations and the drawing of the raffle.

CHRISTMAS BREAK UP RAFFLES

Carol Ashlee won the raffle for the Christmas Stocking, and James Azli won the Christmas Hamper. We did wonder what he would do with the bottles of wine, but no doubt he and Fairuz came to a mutually agreeable arrangement.
