

# 50th Anniversary Dinner

Enfield Harriers was started by Mr Gary Adair in April 1960 and entered the South Australian competition in 'C' grade. Ten years later, Enfield Harriers became an 'A' grade club and the club has a long history of premierships pennants and being the champion club a number of times.

Enfield Harriers has a proud history in having some of the best athletes and officials in the state who represent the club nationally and internationally.

You are invited to attend the Enfield Harriers Amateur Athletics Club's 50<sup>th</sup> Anniversary Dinner. This major milestone will be marked with a tour of the Enfield facilities, showcasing the old and the new and what has been achieved in 50 years. It will also be an opportunity to give thanks to those who have volunteered over the years and the importance of volunteers and member support to the club. Whether you are a previous member, previous official, current member, current official, affiliate, parent or friend of the club, it would be great to see you - it's time to do a little reminiscing...
