

2018 Shoe Clinic Handicap Series

Thank you and congratulations to everyone who took part in the 2018 Shoe Clinic Handicap Series this winter. Thank you to our sponsor and thank you to all of the helpers, timekeepers, handicappers and the Harrier's Committee for pulling it all together!

It was great to see a good turnout at the final fun run, prize giving and afternoon tea today. Those ice-cream cones were definitely a hit!

It is awesome to see everyone giving it everything they had and at the end of the series it only came down to a few points. The handicap series can be won by any runner in the field, a few good runs and a couple of high placings sure helps but being consistent and running in all five races is also worth it.

Below are the results.
