Heather Skerrett Memorial Trophy Winners (Senior's Age Grade)

Buddy Small (Men), Debbie Telfer (Women)

James McLeay had best age grade for men but too young to be awarded a senior trophy.

(Age Grading is an internationally used formula that compares performances by age – so a 14 year old's javelin can be compared to a 40 year old's 100m – or as here, a 12 old year girl with a 10 year old boy, or an 18 year old with a 60 year old.)
