

▣

Private Coaching Available

The following Premier player/coaches are recommended by the club for private tuition. Be aware these coaches are players themselves and at any time may be in competition phase and not available for certain periods. Some have full time employment and offer this coaching service because they have a love of the game. It is recommended you contact the coaches by email in the first instance and then communicate by phone if desired.

Make sure you introduce yourself ie age, current team, position, playing history and if there are certain facets you want improving.

Payment negotiated between coach and player is made directly to the coach, not through the club.

You will need to organize your training area, some school venues are ok with private tutoring, some you will need to gain permission from venue coordinators or school sport staff. AGS turf has a training area down the side of the main turf which can be used for junior players and static skill coaching.
