

Somerville HC 2019 – September

Property Amnesty

The club is placing on data base “ALL” property belonging to the club and asks all past and present members to participate in this property collection amnesty. This includes all areas, senior, youth and junior. In some cases the physical collection of the gear may not be necessary. The data collection is to ensure we have on record a full club inventory which assists the committee with future ordering and will help to deliver a cost-effective subscription to its members.

If you have any items to be dropped off/picked up or simply registered please contact:
Simon Norton - coachingdirector@somervillehockey.org.nz

This data collection is not restricted to but includes ...

Playing Gear:	-used shirts, shorts, skorts -new shirts, shorts, skorts, sox -tracksuits, coaches jackets.
