Top Club 2017

2 years in a row! You rock!

Yes it may have been a tight competition at the end with Howick Pakuranga snapping at our heels but you did it! Congratulations and a big well done. This is to all of our players, coaches, managers, umpires and supporters. A great effort and a great result. And the calculation is not just done on the senior results either. It also includes our Youth teams and how many juniors we put on the field. That is why we are top club for 2 years in a row.

A big high five to Shelley for galloping up to get the women's award too! Priceless!

So here are the results of the grades;

Upcoming events

2017 NATIONAL MASTERS HOCKEY TOURNAMENT

Lloyd Elsmore Hockey Stadium, 19-25 NOVEMBER 2017

Hockey world League Final in November, Harbour hockey stadium. Go to Ticketek.co.nz for details and if you enter our club name in the codeword field you will be entered in the draw to win hockey equipment for the club.

Seeking coaches: We are looking for expressions of interest for the premier mens and womens coaching roles. Please pass this on to those in the hockey community who this may be of interest to and direct them to our website.

AGM – Unlike in the good old days where coming to the AGM was dangerous as you might end up on a committee we actually have a great group of committee members who we talk to in advance so that no one is ambushed at the meeting. I would rather you came out of genuine interest of where your club is at and have a drink with friends after.

On behalf of your committee I hope you have a fun filled summer (with less rain). Don't forget to go for a run now or then so that the return to hockey in 2018 is not too painful!
