

DECEMBER 2016

Welcome

Welcome to the 2016-2017 Brimbank Little Athletics Season. The committee would like to take this opportunity to welcome all of our returning members and extend a very warm welcome to our new members. What an exciting start to the season we've had with our Multicultural Round, Region Relays and Centre Multi Event Championships.

Each month this newsletter will highlight any things which are really important to our centre at the time, so please take a moment to read this newsletter carefully to ensure that you don't miss any important information.

We would like to take the opportunity to remind our families of the following:

- Code of Conduct – Please take the time to read the code of conduct section in your handbook and discuss it with your athletes. This is how behaviour issues will be dealt with at our centre.
- Only athletes and officials are permitted on the inside of the track area – this is due to insurance and safety. We understand that you would like to watch your children compete and the best way to do this is to volunteer as a helper on an event or as an age group manager.
- Equipment Shed and Equipment – Athletes are not permitted in the equipment shed area. Athletes should not be using or on equipment unless they are competing or training under the supervision of officials or coaches.
- It is a condition of registration that all families undertake duties throughout the season - if you have not yet completed your duties, please see a committee member.

If you have any questions, please speak to a committee member or your Age Group Manager.
