The *First Official Duty* for the day must sign in and collect the Officials Name Tag & Vest from our Centre Area. You then must report to the Chief Official for a meeting at their allocated locations 30 minutes prior to the start of the scheduled event.

You need to be aware of how the day is running as you will be rostered to **Event Blocks**, NOT SPECIFIC TIMES. Times shown are approximate, final event times to determine event blocks will be published 1 week before the Championships.

Please use the times above as guides as you are only allowed to take over officiating at the end of the allocated Region blocks eg: 4x200m Heats.

There are many parents doing duties from 16 different centres, however it is IMPORTANT to take over from the parent rostered on before you from OUR CENTRE.

To all parents on the last shift of the day, please ensure your Officiating Name Tag & Vest are handed back to the Centre Team Manager.
