Please tick the games where the child has played.

Min 6 players, Max 12 players per game.

(if you have too many players give some to the opposition, if you haven't got enough borrow from the opposition just make sure everyone gets as much opportunity to play as possible).

Game duration is 50 mins – gives 25 mins to get organised to start next game.

No game will go past the scheduled conclusion time – this will allow us to stay on schedule.

If the team in the bottom of innings is in front, the runs in the completed top of innings will stand. If the team at bottom of innings is behind or the top of innings is not complete, then game will revert to last completed innings.

The innings is complete when either three (3) outs are made or 5th run crosses the plate.
