

Representative Player Transfer Form

All representative players transferring from one club to another within Macarthur must complete this form.

Requirement for representative players who wish to transfer clubs within Macarthur

MBL has adopted the principles of the BNSW Player Transfer Policy and applied it to representative player transfers between our League's affiliated clubs.

Last year's representative players are unable to transfer clubs without the written approval of the Executive Committee of the League.

What is the process?

1. Player or parent/guardian to complete this Player Transfer Form.
2. Submit this form to the 'new' club secretary.
3. Forward the form to the 'old' club secretary who will provide a clearance, once all financial obligations have been met.
4. Send the completed form to the Association Secretary for approval.
