# BEARS JUNIORS & CUBS BASEBALL CLUB NEWSLETTER

Issue date: 22 June 2017

## GAME REPORTS

17/06/17

Unfortunately I have not received any game reports from any of our junior coaches this week.

### CUBS SENIORS:

A Grade went down to Heat on our last Friday night game for a few weeks. Cubs were in the game early but struggled getting that elusive third out at times with Heat running away the winners in the end.

B Grade got ahead early and stayed ahead to get the win over the Angels in a game that featured some solid batting and an improved performance in the field

Masters - Wow what can we say about those Cubs Masters!! Another great win over Dodgers 2 extending their WINNING streak to 3 games straight in a game featuring not only double plays but a never before seen triple play (that we think actually involved 4 outs).

Great job Cubs Masters
