Rookie Ball

Great game on Saturday with some great batting and fielding. Well done Jone for nearly getting double out and well done Max for a great tag on 1st base. See you all on Saturday.

Little League

Bears little league team played another fantastic game on Saturday which resulted in a win. It was pleasing to hear very positive chit chat from our player's to encourage each other whilst at bat and on the field. Well done everyone! Thanks to Sahra and James for helping out the Dodgers to make a full team. Player of the match was awarded to James for a big effort in the catcher's position and good sportsmanship. Congratulations James.

U14's

Congratulations to everyone on the team for a great effort on Saturday and our first win of the season! As we all start working together as team we are seeing results on the field and I'm sure we will continue to see more big improvements over the coming weeks. We have been working on our out-fielding for the last few weeks and Luke, Katrina, Malakai and Ethan all put this into practice on the weekend with good results. Well done guys! Bradley and Blake worked hard on the mound to

ensure Reds had to earn all their runs and Sam and Courtney both did a great job catching. Next week one of the things we'll be focusing on is our base running - which wasn't quite working for us on Saturday. See you all at training on Wednesday, and don't forget to be on time- we like to start right on 4.30!

U16's

A great game this week by the u16 bears. All pitchers Jack, Jacob and Scott chucked well, Keely worked hard behind the plate even getting a runner out stealing home, which slowed down the stealing and allowed the bears to stay in the game. The whole team batted extremely well; ran and stole well. Unfortunately we need to play the whole game as errors crept in towards the end letting our team down. That said it is hard to be disappointed when we played good baseball in a losing side.

Well-done team!!!
