BASEBALL RULES

The **Official Rules of Baseball** apply for all levels of play. Exceptions will be the following documentation, which has been designed to foster the development and provide for the safety of participants.

These rules may not and cannot be adjusted or manipulated in any way by any club, region or league affiliated with **Baseball Queensland**, without the expressed written permission of the **BQ Board of Management**. Any region or association not abiding by these rules will forfeit their right to nominate teams for any Baseball Queensland sanctioned tournament, competition or games. This includes tournaments, competitions or games sanctioned by the Australian Baseball Federation. Baseball Queensland may make alteration to these rules at any time. Baseball Queensland may issue any party, special dispensation from one or more of these rules as the Baseball Queensland Board of Management deems necessary.

These rules are to be adhered to. Baseball Queensland may issue a \$100.00 fine per offence for any infringements of these rules.

Infringements of these rules are to be dealt with by the league or region conducting the competition. **All infringements must be reported to Baseball Queensland by the league/region president.** A panel will be put in place to hear appeals; and a separate non-affiliated arbitrator will Chair the panel. A written appeal must be lodged with Baseball Queensland within seven days of the infringement, accompanied by a letter of explanation and a cheque for **\$100 made payable to Baseball Queensland**. The cheque is refundable if the appeal is upheld.

SPONSOR SIGNAGE

Sponsorship signage on uniforms is permitted. Anything resembling a baseball is prohibited. All sponsors names; size and placement of the signage **must** be endorsed by Baseball Queensland through the region, league or competition administration.

AGE ELIGIBILITY GUIDELINES

AGE REQUIREMENTS

A. The cut-off date for all age groups is **December 31st** in the year the season begins. **For example:** to play at the U14 age level a player cannot have turned 14 in the year the season commences.

NB: This includes club Little League, U10 and U8 competitions. The 30 April age cut-off will only apply to players for Little League Representative teams.

B. All **registered** players are required to show proof of age upon initial registration with a club.

C. There is to be no age restriction for Aussie T-Ball (recommended age: under 8 years of age) **or** Rookie Ball (recommended age: 8 – 9 years of age inclusive). Any person outside these age brackets that wishes to play Aussie T-Ball or Rookie Ball, must seek permission from the Regional Director of Coaching or the League administering the competition.

PLAYING OUTSIDE NATURAL AGE GROUPS

1. The following provisions have been instated to provide improved participation flexibility in order to meet the needs of an increasingly diverse societal and sporting landscape. Various circumstances may provide cause for a league/region to provide any player with special dispensation from the above mentioned “Age Eligibility Requirements” allowing such player to play outside their natural age group in accordance with the rules as set out herein. All applications will be considered and should be addressed to the league managing the competition. Appeals will be heard by Baseball Queensland; any such appeal must be made in writing and addressed to the Development Manager at Baseball Queensland.

There are three (3) forms of playing outside natural age group. These are referred to as Type 1, which refers to “temporary” permission to play outside natural age group. Type 2 refers to “permanent” permission to play outside natural age group. Permission Type 3 refers to permission that allows “15 year old to play Senior Baseball”. In all three cases the appropriate paperwork must be completed and submitted in accordance with the following rules. Application must come from a parent/guardian and the player’s current coach or other club representative. Copies of all approval forms must also be forwarded to Baseball Queensland. The application form or “Playing Outside Natural Age Group Application and Informed Consent Form” is available from the Development menu on the BQ website or by following [this link>>>](#).

Any approval to play outside of natural age groups may be reviewed and/or revoked at any time by the issuing authority or Baseball Queensland.

Players in Aussie T-ball (U8) & Rookie Ball (U10) may play up and down within these age levels **without the requirement to sign permission forms or seek permission**. Age or previous year(s) playing status will not be considered. Any given player under the age of 10 (as at 31 Dec in the year the season starts) is eligible to play either Aussie T-Ball (U8) or Rookie Ball (U10) or both in the same season.

NB: Nine year old players may apply to play up in Little League on either temporary or permanent permission as outlined below but in order to be eligible to pitch in Little League a nine year old must apply for and be granted permanent permission and adhere to the Rookie Ball pitching restrictions. Little League players may also apply for special consideration under these rules to play Rookie Ball (U10).

Where there is no competition for a particular age level, then a League may determine the age levels that best fulfil their requirements. **For example:** U17, U15, U11 etc. Baseball Queensland approval **must** be sought before implementation.

2. Playing Outside Natural Age Group, Clearance Type 1 - Temporary Permission.

- A. Temporary permission is to be sought by players playing up outside their natural age group in order to fill in for; or take the place of a natural age player that is ill, injured, absent or otherwise unable to play, in order that a game may be played.
- B. Temporary Permission provisions to play up outside a player's natural age group apply only to players from Rookie Ball (9 year olds to play Little League) to U16 (to play U18/U20). NB: U18/U20 players do not require permission to play senior baseball.
- C. Players playing up an age group under temporary permission provisions can only take the field to replace injured players or to ensure at least nine players take the field. i.e. they cannot take the field at the expense of a player playing in their natural age group. Players playing up an age group under temporary permission provisions are not required to attain any minimum participation for the game played outside their natural age group.
Exception to Rule 2C above - Players playing up an age group under temporary permission provisions may play as the tenth batter for the entire game.
- D. Temporary permission requires the parent/guardian of the player playing outside their natural age group to sign the playing outside natural age permission and informed consent form. This form must also be signed by the coach of the adopting team.
- E. The completed, Playing outside natural age permission and informed consent form must be submitted to the scorers prior to every game the player is to play in the older age group. The Scorers must submit this completed permission form with the Game Card to the League Registrar by the game card due date.
- F. Temporary Permission will only be accepted/permitted for a maximum of five games for any player in any one season. Permanent Permission must be obtained in order to play more than five games outside their natural age group. This will mean they will be required to play up on a permanent basis and forfeit their game time in their natural age group.
NB: Application may be made to BQ for exception to this rule.
- G. Temporary permission is valid for one game only. A new form must be completed and submitted to the Scorers and League Registrar for every game a player plays outside their natural age group under the temporary permission/Clearance Type 1 arrangements.
- H. Players are only permitted to play **up** one age group under Temporary Permission (Players are not permitted to play down any age group(s) under Temporary Permission provisions).
- I. When playing up an age level under Temporary Permission, players are **prohibited from pitching and catching**.
- J. Temporary permission does not exclude a player from playing in their natural age group. Players playing up on a temporary basis may not do so if it will lead to their natural age team failing to field nine players.

3. Playing Outside Natural Age Group, Clearance Type 2 - Permanent Permission

- A. Permanent Permission is to be sought by players seeking to play outside their natural age group for the term of an entire season or remainder of same.
- B. Permanent Permission provisions to play outside a player's natural age group apply to all players between nine (9) and fifteen (15) years of age to play no more than one age group, above or below their natural age group. i.e. a nine year old may make application to play Little League; a Little Leaguer may make application to play Rookie Ball or U14 as their case may determine. (Players under the age of 10 may alternate between Aussie T-ball and Rookie Ball at their club's discretion see Rule 1 above).
- C. Permanent Permission requires a State Development Officer, Regional Director of Coaching or otherwise League appointed person to conduct a skills assessment on any player requesting Permanent Permission to play outside their natural age group prior to that player's first game in another age group. The Parent/Guardian of the player requesting permission must also sign a playing outside natural age permission and informed consent form. The completed player assessment form and signed parent/guardian consent form must be approved by; and in the hands of the League Registrar prior to Permanent Permission being deemed granted. NB: Permission is not deemed granted until the player has received a cover note from the League/League Registrar or BQ.
- D. The League Registrar is to provide the adopting team/relevant player with a cover note on League letter head outlining the grade(s) and age group(s) any player listed on such cover note, is eligible to play in. The cover note must also include any pitching/catching limitations that apply to the approved player. This document must be presented to the Umpire and opposing team's Manager prior to each game.
- E. Permanent Permission is only valid for the season in which it is granted.
- F. Players may apply for permanent permission to play up or down one age group only.
- G. Players when playing up or down an age level on a permanent permission basis may apply to be granted special consideration to allow them to pitch or catch. This permission must be sought from Baseball Queensland. If granted permission to pitch or catch, this will be noted on the cover note to be supplied to the adopting team by the League Registrar.
 - i. No player may play the position of pitcher and catcher in the same day.
 - ii. Any player playing up outside their natural age group, with permission to pitch or catch will be required to adhere to their natural age group pitching and catching restrictions.
 - iii. Any player playing down outside their natural age group with permission to pitch or catch will be required to adhere to the pitching and catching restrictions of the age group they are playing in.

4. Playing Outside Natural Age Group, Clearance Type 3 - 15 Year Old to Play Senior Baseball

- A. 15 year old, elite level athletes can apply to Baseball Queensland for Clearance Type 3 to allow them to play first (eg. GBL Major A/Pacific A) or second (eg. GBL Major B/Pacific B) grade senior baseball only.
- B. Baseball Queensland will issue a cover note to any player approved to play senior baseball under Clearance Type 3. This cover note **must** be presented to the Umpire's and the opposition Manager prior to the start of any game the underage player is to play in.
- C. Players applying for Clearance Type 3 must complete the Playing outside natural age groups permission and informed consent form (see appendix) and attach written references from a minimum of three currently accredited coaches, at least one of which must be a currently appointed Queensland (Rams) State Coach.
- D. Players playing up under Clearance Type 3 must maintain a log book of their participation. The log book will be supplied by Baseball Queensland and must be completed at the conclusion of each game and signed off by the coach and scorer for any game the 15 year old player plays in, including games in their natural age group. The log book must be presented to the coach in charge prior to any subsequent game or practice session that player is to participate in. It is the player's responsibility to maintain this log book. Failure to accurately record participation results prior to their next game or practice session may result in revocation of permission to play senior baseball.
- E. Players utilising Clearance Type 3 are required to satisfy their commitment to their Natural Age group as a priority over playing senior baseball and are not to be considered as exempt from playing in their natural age group.

5. Playing Outside Natural Age Groups - Appeals and Reviews Process

- A. Appeals against any decision to play outside natural age group must be referred to Baseball Queensland. Any appeal must be made in writing to Baseball Queensland and be accompanied by a detailed account of the situation to date. Please address appeals to:

* **In Aussie T-ball there will be a fair ball line 15 ft in front of the tee.**

All bases are to be of the padded variety and placed on level ground.

All games for the Little League and U14 age levels must have an age specific outfield perimeter of some description. *Even where fields are fully enclosed but the existing fence line exceeds age specific requirements*, temporary age specific perimeters must be deployed. Any such perimeter is to be established/installed by the home team. **For example:** Cones or markers that are clearly seen from home plate. Any batted ball, declared fair, that bounces prior to leaving the field of play, will be ruled a ground rule double. If markers are used to identify the perimeter, the base of the markers forms the limit of the field of play.

NOTE: Should a base be pegged to the ground (removable as per Little League), it is to be done with safety as the **PRIME CONCERN**. Pegs **MUST** be driven **entirely** into the ground with the buckles **under** the centre of the base.

NOTE: At the Rookie Ball age level or below, soccer style leg guards are permitted.

- B. Properly fitted, non-damaged two eared helmets must be worn by all batters, baserunners and juniors performing the duties of a base coach.

- D. Protective cups are **MANDATORY** for **ALL** players.
- E. All clubs **must** make available a generous supply of SPF 30+ sunscreen.

NOTE: If in the opinion of the home plate umpire (**in consultation with both coaches**), the weather becomes potentially detrimental to any player's health, the game will be abandoned.

GENERAL PLAYING RULES

- A. For all junior games (inc. U18 and U20), **if a play is imminent**, runners **must** slide at **2nd and 3rd bases and home plate**. At home plate, the runner **must** slide feet first.

NOTE: The intent of this rule is to avoid collisions between base runners and fielders. This being the case **An imminent play is defined as:** Any situation where the Umpire determines a fielder, a base runner and the baseball will all arrive near a base, in a timeframe that may require the Umpire to make a safe/out call.

Penalty for not sliding in the correct manner on an imminent play: The runner shall be called out for interference. All other runners return to the base they were previously occupying.

EXCEPTION: In accordance with the ABF ruling, sliding at the SENIOR level is not mandatory, BUT IS ENCOURAGED.

- B. Under **normal circumstances**, games will be considered finished when either the maximum time duration or the maximum innings, as determined by Leagues in their bylaws, is reached.
- C. In U14, U16 and U20 baseball, if a team is ahead by 10 runs after 1 hour 45 minutes and equal innings, then the “mercy rule” **will be** invoked.
- D. Players at the U14 and below levels **MUST** start and play a **full game** in **at least 25%** of the teams officially scheduled games. Strategic coaching replacements in junior baseball, especially at these levels are not encouraged, as they detract from player development.
- E. Each junior player (U8 – U20) **MUST** play at least 50% of the time allowed for that junior fixture.

Note: A five (5) minute leeway either side of the time will be granted.

- F. In the event of an injury or ejection, a team may continue with eight players. Also, a team may commence a game with eight players. However, teams are never permitted to have less than eight players on the field at any given time.
- G. In junior games substituted players may re-enter a game in the event of an injury, ejection or a player forced to leave the ground prematurely, but are not permitted to pitch.

PITCHING AND CATCHING

- A. No junior player (including U20 comp and U18 players in senior baseball) may pitch and catch in the same day.
- B. No junior player (including U20 comp and U18 players in senior baseball) may catch in more than two games in any given day.
- C. In junior games (including U20) a courtesy runner for the catcher is **MANDATORY** after two outs.
- D. Fastballs and changeups (NO knuckleballs, curveballs, sliders, splitfingers etc) are the only pitches permitted at the U14 and below age levels.
- E. Pitchers **may not** exceed the game maximums, **with the exception that should they reach their maximum number of pitches while there is still a batter in the box, they must complete that batter and then be immediately replaced.** Scorers are to inform the coach when pitchers are within 20 pitches of reaching their maximum limit.

NOTE:

- All coaches should make changes between innings when possible - Speed up rule.
- It is **recommended** that pitchers **should not** start the next inning if 10 or less pitches remain before reaching this maximum. - Speed up rule. This also allows for the next incoming pitcher to be prepared adequately.

- F. Pitching limitations for home and away League games during the normal season are as follows

AGE	GAME PITCHING MAXIMUMS
U10	35 pitches * 2 nd year players second half of the season ONLY
Little League	60 pitches or participate as a pitcher for nine defensive outs, whichever comes first
U14	70 pitches
U16	80 pitches
U20	90 pitches

NOTE: Any player 16 to 19 years of age (by Dec 31 in the year the season begins) that pitches at any level, including senior baseball must adhere to the U20 pitch limits.

NOTE: It is **STRONGLY** recommended that pitchers at the U16 – U20 age levels throw at least **75% fastballs** throughout the season. This is an arm safety and player development requirement.

NOTE: It is strongly recommended that junior pitchers not pitch in excess of 1/3 of their game maximum in any single inning.

NOTE: It is strongly recommended that Senior pitchers not pitch in excess of 120 pitches in any outing.

- G. All junior players (including U20) that pitch in a game **at all**, must have **at least** one complete day's rest from pitching. (**Example:** Pitches Saturday, cannot pitch again until Monday). If pitchers exceed 50% of their pitching maximum, they must have two complete days rest from pitching. (**Example:** U20 player pitches 50 or more pitches in a senior game on Friday night, they **cannot** pitch again until Monday)

- H. No junior player (including U20) may pitch in more than one game per day or in 2 days in a row. A pitcher, once relieved, may not pitch again during that game or day.

- I. Pitchers removed from the mound in accordance with the rules of baseball (rule 8.06) are still eligible to play in the field. However, they are not permitted to catch. If the pitcher must remain in the game it is strongly recommended that they play either First Base or Second Base.

- J. Pitchers are allowed a **maximum** of eight warm-up pitches at the start of each inning.

BATTING

- A. In junior baseball once batters have faced a pitch during any time at bat, they cannot be replaced during that at bat, except in the case of an injury to the batter.
- B. There is no designated hitter for the pitcher in junior baseball. **However, Little League, U14 and U16 teams MUST use a 10 player batting lineup** if they have 10 or more players available. U20 teams may also use a 10 player batting line-up at the discretion of each team's manager. This tenth batter must stay in place for the complete game **The extra batter may appear in any batting position and** must enter the game in defence at the half way point. **The extra batter is for player development ONLY and will not count towards participation until they appear on the field.**

The batting position of players may NOT be changed at any point during a game, only the fielding positions are changed.

Note: In cases where teams have just 9 players, players of a younger age group may play up as the 10th batter provided they do not take the position of a player who should rightfully be playing in that age group. However, they may not take the field in place of another player, except in the case of injury or ejection.

- C. Batters are prohibited from throwing the bat. This is an umpire's judgement call. Offenders and their coaches are to be cautioned on the first offence. A second offence by the same batter will result in the batter being called out and all other runners returned to their bases last legally occupied.

GENERAL COACHING

- A. **Any** person coaching in a Queensland affiliated baseball competition (Little League to Senior competition), **must have** a minimum Level 1 Baseball Coaching Accreditation and hold a current Suitability Card issued by the Commission for Children and Young People. All coaches are required to abide by the Baseball Queensland Coaches' Code of Conduct (**attached**).
- B. Coaches and players are prohibited from disputing any type of umpiring judgement calls. (**Example:** Out/safe, ball/strike, or fair/foul).
Penalty: Automatic ejection
- C. Coaches must sign the scorebooks and game cards at the conclusion of every game.
- D. In the event of a coach/team being found to be in breach of any of the Baseball Queensland Rules, the offending club/region will be fined \$100.00 per offence. Coaches may also face revocation of their accreditation.

<p>ALL TOBACCO AND ALCOHOL PRODUCTS ARE PROHIBITED WITHIN THE ONFIELD CONFINES OF ANY BASEBALL FACILITY. ALSO SEE THE BASEBALL QUEENSLAND COACHES CODE OF CONDUCT. After ascertaining that a coach, player or any team official is disregarding the above directive, the umpires are to automatically eject the offending person. Leagues are then to ensure that the offending person is required to report for a judiciary hearing.</p>

UMPIRING

- A.** Any person that umpires a baseball game (Little League to Senior Baseball) must hold a minimum Level O Umpires Accreditation.
- B.** There **must** be an umpire situated behind home plate. Open-faced shoes of any type are prohibited.
- C.** The home team **must** provide **both** the home plate umpire and the base umpire unless otherwise stated in league/region bylaws.
- D.** No member of either coaching staff is permitted to umpire unless agreed upon by both teams.
- E.** Junior players 13 years and above may umpire games, but only below their own age level. If they are the home plate umpire they **must** wear at least a mask, chest protector, leggings and protective cup.
- F.** When an umpire (or coach) notices blood on any part of a player's person or uniform, the player in question must be removed from the field.
- G.** Where players are directed by an umpire to leave the field under paragraph **F** above, the umpire will wait a reasonable time period, allowing the blood rule (**see section "Infectious Diseases Policy"**) to be implemented. The time allowed is at the umpire's discretion, but should not exceed 10 minutes. If, when this time has elapsed, the players are unable to take their place in the team, they must be substituted in the usual manner. When a team has only nine players, the game will recommence with the team in question fielding the allowable eight players.
- H.** Any player or coach, refusing to obey an umpire's direction in accordance with **E** and **F** above, **will be** ejected from the game.
- I.** After two coaching visits to the mound in one inning (**see rule 8.06 in the Official Rules of Baseball**), the umpire is to direct the pitcher to leave the game. However, if the coach approaches the umpire and moves the pitcher to another fielding position, the umpire **is not** required to direct the pitcher to leave the game.

INFECTIOUS DISEASES POLICY

The following rules pertaining to infectious diseases (**Blood Rule**) are taken from the Australian Baseball Federation's policy statement. As an affiliate of the ABF, Baseball Queensland willingly implements and will enforce this policy.

AUSSIE T-BALL RULES

Aussie T-Ball is designed to introduce children to the game of baseball and help them develop basic baseball skills in a FUN way. For more information on the Aussie T-Ball Rules please refer to the Aussie T-Ball Manual available from <http://www.aussietball.com.au/>

A. Team Size

- Six (6) players a side (possibly 5 or 7).
- As skill level is increased team size can be increased to nine (9) players a side.
- If there are five (5) players the coach acts as the catcher.
- If there are five (5) players the coach acts as the catcher.

B. Batting

- The ball is not pitched in Aussie T-Ball - instead it is batted from a tee.
- A hitter may have as many swings as they require in hitting the ball into fair territory.
- A player is out when:
 - A batted ball is caught on the full.
 - A player in possession of the ball stands on the base before the runner arrives.
 - A runner between bases is tagged by a fielder with the glove or hand which is holding the ball.
- An inning is completed when every player on the batting team has completed a turn at bat.
- Each inning the leadoff hitter becomes the sixth hitter in the next inning and subsequent hitters will move up one spot in the line up so that every hitter has the chance to lead off an inning.

C. Fielding

- All fielders rotate fielding positions each innings in the following manner:
- pitcher becomes catcher
- catcher becomes 1st base
- 1st base becomes 2nd base
- 2nd base becomes 3rd base
- 3rd base becomes shortstop
- Shortstop becomes pitcher

D. Base Running

- So that fielders are encouraged to throw, runners may advance no further than the base they were heading to when the first throw is made.
- Once a runner turns back toward a previous base they are entitled to that base only.

E. Umpiring

- Where an umpire is used (often the coach of the batting team) he or she is to be positioned behind the home plate.
- Where no umpire is used, any disputes on outs are settled by the players using 'Rock Paper Scissors'.
- It is preferable that no coaches are on the field with the players – let the children play.
- Before 'Play Ball' is called, allowing the ball to be hit:
- The pitcher must be on the pitching plate; and
- The catcher must be behind home plate, in the catcher's box; and
- No fielders may be inside the base paths; and
- The runner must be in contact with the base.

F. Inclusion

- It is recommended that teams adjust their play to encourage the inclusion of participants with a disability. Refer to the online club development kit for further advice.

G. Coaching

- In accordance with **Rule B** in General coaching, Coaches are not permitted to dispute ANY Umpire's call.
- Coaches must wear at least the club uniform shirt and cap and be neatly attired at all times. Open faced shoes of any type, are prohibited.

NO LEAGUE OR PERSONAL STATISTICAL DATA IS TO BE KEPT AT THE TEE BALL LEVEL.

ROOKIE BALL RULES

1. GENERAL

MAXIMUM RUNS THAT CAN BE SCORED

6 per inning

NOTE: Teams may field as many as the opposition, up to 12; and bat as many as 12 in any given game. Players that exceed the normal nine **MUST** occupy fielding positions in the outfield.

NOTE: **It is important to note that at this age level, all emphasis should be on games and modified games that are used to help develop basic motor skills and basic Baseball skills.**

2. PLAYING RULES

A designated pitcher is defined as: a coach or other delegated person from the batting team that pitches the ball to that team's batters. The designated pitcher must be 15 years and above.

BATTING

- A.** Should the batter hit the ball into the designated pitcher, the batter will be awarded a single base hit (all other runners advance one base **only**). Designated pitchers should wear a glove for self-protection, but **must make every effort to avoid touching any batted ball.**
- B.** Only **ONE** baseball is allowed **on the playing field** at any given time.
- C.** There are no Base on Balls in Rookie Ball.
- D.** Each batter will have three (3) swings after which a tee will be provided for the batter to hit off. The batter will continue his/her at bat until such time as he/she hits the ball into fair territory. (Only full rubber tees or fold up tees are to be used.)
- E.** When the tee is in use the batter must hit the ball a minimum of 15 feet from the tee before the ball is considered to be in fair territory.

BASERUNNING

- A.** Base stealing, or advancing on passed balls and wild pitches, is prohibited.
- B.** Runners may not leave their base until the batter makes contact with the ball.
Penalty: Should the umpire observe such an infringement, the runner is sent back to the base last legally occupied. If the pitch is hit into fair territory, the infringing runner is ruled out. **All** other plays resulting from that hit stand.
- C.** Runners may not advance beyond the base they are approaching on the call of "time." "Time" may only be called by the umpire once the ball is in the possession of a player in the infield and it is deemed that no other plays will reasonably take place.
- D.** On overthrows at **any** base, the ball is automatically declared dead. **NO** runner(s) including the batter/runner, may advance beyond the base they are approaching.

FIELDING

- A.** The fielding pitcher is **not** considered an infielder. Infielders **must** assume their initial fielding position **behind** the basepaths. Outfielders **must** be well behind their infielders before play can resume. An appropriate distance is approximately 5 meters behind the infielders. **All** fielders shall remain relatively stationary when the umpire calls "play ball."
- B.** The Infield Fly rule (**see rule 2.00 of the Official Rules of Baseball**) does not apply to Rookie Ball. Therefore, if any fly ball is caught by an infielder, the batter is out, the ball becomes dead and **NO** runner(s) may advance or be put out.

NOTE: Coaches should teach players how to "tag up" in the event of a fly ball.

PITCHING

- A. The designated pitcher (coach) is to pitch from a kneeling position. The pitcher is required to throw a flat trajectory pitch either over arm or under arm, at a speed that is conducive to the batter's ability **to make contact with the ball**. (See **Playing Rules; Batting C) Battery operated pitching machines are permitted on low settings only**.)
- B. The fielding pitcher must be positioned approximately an arms length to either side and behind the designated pitcher.
- C. 2nd year Rookie ball players will be eligible to pitch in the second half of the season. These players will be limited to a maximum of 35 pitches per game and can only pitch in one game per day. These players will pitch to their own team and emphasis should be placed on pitching strikes to their team that can be hit.

3. COACHING

- A. Coaches are **only** permitted on field if positioned **behind** their infielders. When on field, coaches may not physically touch a hit ball, or a player in the act of fielding.

Penalty: Batter/runner is awarded first base; all other runners advance one base **only**.

- B. Appeals by a defensive coach for **(1)** runners leaving early, **(2)** bat throwing, or **(3)** for taking extra bases on "Time," may only occur at the conclusion of said play. Such appeals **must** be in the form of a question and **must** occur prior to the first pitch to the next official batter.
- C. Coaches must wear at least the club uniform shirt and cap and be neatly attired at all times. Open-faced shoes of any type are prohibited.

NO LEAGUE OR PERSONAL STATISTICAL DATA IS REQUIRED AT THE ROOKIE BALL LEVEL. HOWEVER, PITCHING DATA IS TO BE KEPT WHEN A SECOND YEAR PLAYER IS PITCHING.

LITTLE LEAGUE BASEBALL RULES (League Competitions)

A. Baserunners may not leave their base until the pitch crosses the front of home plate.

Penalty: Should the umpire observe such an infringement, the runner is sent back to the base last legally occupied. If the pitch is hit into fair territory, the infringing runner is ruled out. **All** other plays resulting from that hit shall stand.

B. Coaches **must not** encourage their players to take extra bases in a “suicide” manner with the intention of enticing an overthrow. This is a breach of the Coaches Code of Conduct and could result in the runner(s) involved being called out, the coach being ejected, or both.

PITCHING

A. There are no balks at the Little League level.

B. For all other Pitching and Catching limits and rules please refer to ‘Pitching and Catching’ on page 7.

A. In club competition coaches are permitted to wear the **full** team or club uniform including cap, pants and playing top. Minimum dress standard – Team Cap, Team shirt, appropriate shorts and closed shoes.

B. Open faced shoes of any type, are prohibited.

4. PARTICIPATION

A. Pitchers and catchers may only play those positions for a maximum of nine defensive outs in any one game (**see Pitching and Catching F on page 7**). However, if six or more runs are scored in an inning, this will be considered to equal three defensive outs for that inning.

B. If players have played the outfield at any time in two successive games, they **must** then play their next game as an infielder. For dispensation from this rule, Clubs **must** contact Baseball Queensland through their Regional Director of Coaching. The RDC will then write to Baseball Queensland seeking approval.
