

As with last season, Membership Fees have been broken into two components. An online Registration component that goes to Baseball Victoria and the remainder which goes to the club. This club doesn't run on goodwill alone, so please endeavour to pay the remainder of the fees to the club as soon as possible.

The online component includes your state registration and your insurance. This must be paid BEFORE you step onto the field in Round 1.
You will notice that the fee has been increased from last year.

Upfront Registration Fees:

If you did not play baseball in a summer league : \$95
If you did play summer : \$35

The upfront registration fee requires a Credit Card to pay.
If you do not have access to a credit card, let me know before any payments are made.
