Dear Member,

The 2016/17 Baseball season is not far away now, the Men's competition will start October 2nd with an away game for the firsts at Waverley, while the Women's and Junior competitions are expected to begin the following week.

Pre-season training has begun with mid week sessions at Ausport on Tuesdays and Wednesday nights, Sunday sessions start this weekend – check website calendar for more details.

The Women's team embark on an exciting chapter this year after being promoted to Division 1, we are looking for more Women's players to add to a developing list.

Junior Come and try day is this Saturday the 3rd of September starting from 9am on the field so any older junior players or Senior players who can help out it would be appreciated by the new players.

A new agreement with United Petroleum this year provides fuel saving for members who sign up, details in the news item below.

An important message to all players is that every player must register this season and pay the Baseball Victoria fee prior to the first game.

Please register now so we have a better idea of playing numbers prior to the opening weekend.
