An important message to all players is that Registration & Payment is due, every player must register this season and pay the Baseball Victoria fee prior to the first game. Please register now so we have a better idea of playing numbers prior to next week.

Registration and Payment

This is now the third season using the IMG registration system implemented by Baseball Australia. As all clubs are still learning how to efficiently use it and comply with both BA and BV, we have yet again had to modify how you are required to register and the collection of fees. If you've registered already for the 2015/16 season then disregard this email but if you haven't registered then get online now to do so before the first game. EVERY player must re-register this season and in future seasons so please follow the links below to complete your registration and fee payments.

To re-register and pay the BV fees please go to the following link:
