<i>Paul Sykes Best Club Team Award</i>	Division Five
<i>Junior Coordinator's Role Model Award</i>	Taj Kite

PRESIDENT'S REPORT

Firstly I would like to thank you all for a very successful season of Rams Baseball. We achieved many goals this season with but none more important than fielding a team in every senior division (7) and every junior division with 7 junior teams. By fielding more teams our club becomes financially stronger, builds a great club atmosphere and grows our Rams culture.

At the start of the season Mark Bull and Rowena took over the running of our Canteen and with the help of our whole club donating a few hours during the season we have made an improved profit from previous years. It goes to show if we can all help out the club will be in a better position. Many other clubs in the league have to lease their canteen out and pay people to run it. Our club cannot afford to do this as we do not earn any revenue from the bar takings and the canteen is our biggest earner. So when your team is asked to help out I hope people will continue to do so.

Well done to all our senior coaches and teams and thank you for all your hard work. Our Div1/2 guys are so close to playing in the finals and this is due to the hard work of Russell Hart. Russell introduced a lot of junior players to senior grades this year and this will pay off in the next couple of years. I cannot wait to see all the younger players taking on Div 2 and Div 1 level over the next few years.

Congratulations to our junior players, coaches, assistants and supporters for what was one of the most successful seasons in Rams history. Lead by the best Junior Coordinator in the league we have grown from 4 teams to 7 teams and having 4 of them finish minor premiers is amazing. The spot light is on our great junior programme and this will hold our club in good stead for the future.

We cannot thank our wonderful sponsors enough. Getting sponsors is not just the job of 1 person but is all our responsibility. Given the tough economic climate every last dollar helps out.

Thank you to our hard working, dedicated committee. Having served our great club as President over the last 5 seasons I strongly believe the committee we have now is one of the best I have worked with. The Henley and Grange Baseball club is in great hands.

Thank for allowing me the privilege of being your President.

Chris Janssen (President)

SENIOR COORDINATOR'S REPORT

With the conclusion of the 2016/17 season, it is time to reflect and celebrate the clubs achievements this year. The club fielded a team in every senior grade, something we haven't done in a long time.

2 Senior and 4 Junior teams made the Grand Final, with 3 Premiership (Junior) wins. Congratulations to all those players and coaches.

Division 1 improved on last season, moving up the ladder and beating teams above them. Landon Hernandez and Wayne Ough were both recognised by the League for their performances this year.

Division 2 struggled for wins, but were able to give some Juniors the extra experience of playing Senior high level Baseball.

Division 3 had a good year, making the Grand Final.

Division 4 finished mid-table and just couldn't beat the teams above them.

Division 5 had another solid season, making the Grand Final.

Division 6 & 7 were both competitive and both finished around the middle of the ladder.

Don Rice were always around the top end of the ladder and just missed out on playing finals.

Well done to all the award winners for each team.

I would like to congratulate everyone on a great season for the club. Thank you to the Committee and all the other members that helped out around the club this year. Well done to the outgoing President CJ, he has shown great leadership over the past 5 years, resulting in the club being in a better position. As a club we want and need continual improvement to become the powerhouse we once were. We are achieving this and we can all look forward to an exciting 2017/18 season.

Regards,

Stephen McCarron (Senior Coordinator)

DIVISION ONE REPORT

This season we took some big strides as a club not only in division 1 but right through the senior grades and Junior Grades. Our season started off strongly with Wayne Ough leading the way on the mound and Landon Hernandez behind the dish and in the box. We picked up a couple of new recruits in Wayne, Tyler Chappell and Phil Acosta. We had Devon Barker come back for a second season as our pitching import.

We took the season a little differently going for the series wins against teams as we played everyone 3 times, we successfully did this against a few of the top teams like Port Adelaide, Goodwood, and Glenelg which was the first time we had beaten them in 11 years. We won the series against Glenelg, Southern Districts, Northern Districts, Woodville, Golden Grove, East Torrens and Sturt.

We were also able to give a few young guys a chance to play Division 1 in Liam Bull and Ethan Badcock, which will be good for the future of the club.

We has Landon Hernandez make the SABL team of the year as the catcher, and Wayne Ough won the League ERA Trophy with a .143 ERA. I would like to thank Justin Patriarca, Landon Hernandez, Wayne Ough Matthew Bartolo and Chris Doley in their efforts to help me out with coaching, trainings and game day. Also the Committee

for helping where they could throughout the season, we are lucky to have a lot of highly skilled people serving on the committee which has helped out a lot. We hope to build on this season again and have both our div 1 and 2 make the finals in 2017/18.

Russell Hart (Division 1 Head Coach)

DIVISION TWO REPORT

Mark Styan began the season as coach but due to work commitments had to resign and the committee very happily appointed Matthew Bartolo to complete the Head Coach task.

It was an 18 game season of which the team could only muster up 1 win. Pitching was solid but too few pitchers became the team's undoing. On the bright side, many youngsters played their first B grade season this year bringing with it a culture of wanting to win so there is a positive vibe beginning to make its way through the team. This group of kids will no doubt develop and grow and begin to push for A grade positions in the very near future.

DIVISION THREE REPORT

We struggled to put a team on the pitch for the first half of the season (our team is made up of 35-45 year olds with various work and family commitments), and we were grateful to players from other divisions that filled in for our team when we were short. Our performances were still pretty good considering the lack of continuity from week to week and our lack of pitching depth, turning the corner at the Christmas break in around 5th position. The second half of the season was when we really started to turn it on and dominated pretty much everybody on our way through to the finals. We would have finished the regular season in second place, however due to unfortunate circumstances we were relegated to fourth. Our division one side was short for one of their midweek games and called on one of our players to help out. This was not a problem from my point of view (as I said previously, we relied on players from other divisions to help us out), however nobody bothered to organise a permit and we ended up being deducted premiership points for that round. I'm not sure whose fault it was, but next season I suggest that a procedure be documented and perhaps placed in the red folders that the team managers receive before the season starts which clearly states what steps must be taken if you need to borrow players from other divisions (or even from outside the club) and who is responsible for organising the permit.

In the end we played our worst game of the season on grand final day so it really didn't matter, however the mistake did cost us a home grand final which would have been great for the club. Next season should be fairly similar to this season in terms of having a great offensive side with a shallow pool of pitchers. The pitchers that we had performed fantastically but if one of them happen to become injured, or if our main two pitchers have commitments outside of baseball on the same weekend we really have no back-up at all. With a lack of pitching stock from division one and two unable to help out we may be in trouble next season. Hopefully our bats will get us through.

Adam Rowe (Division 3 Head Coach)

DIVISION FOUR REPORT

The Div 4 team was missing a few faces from the previous year but brought in some old faces including Brendan Frears, Simon Wilson and Dion Schenk. With Jarod Smith and Jack Kilner also joining the team there was optimism that we would put a competitive team on the field. Throughout the season we won the games we should have against the lower sides but unfortunately struggled against the more experienced teams in the league. We were stuck in seventh place for most of the season and that's where we finished so not making the finals for a second year was disappointing.

Highlights included;

Jack Kilner's pitching was solid all season and he has the potential to become a regular Div 1 pitcher with the right guidance

Willow filled a massive hole for us at shortstop and pitched some great games before a sore arm

Frearsy topped the batting average and was a great leadoff hitter

Beany was solid behind the dish all season and with the bat

Ben "Elvis" Wesley improved his batting from the previous year, batting close to 300 and moving up the line up to the number 2 spot.

Thanks again to Robbo for being Manager, Ass Coach, scorer, stats man and everything else we needed. Also to Hocko for stepping in and coaching a few games. Congrats to the Div 3's and 5's for making the GF and to all the junior teams for a great finals performance.

With the talent in the juniors coming through and if we can attract a few more ex Div 1/2 players back for a Saturday afternoon hit I think some premierships in the senior grades aren't too far away. See you next season.

Brett Hughes (Division 4 Head Coach)

DIVISION FIVE REPORT

Well another year down, unfortunately this year didn't quite give us the return of last season but to the guys credit we stuck it out and ended up playing some great finals baseball eventually making it to another grand final against Souths.

This time we had to play at their home ground in front of a great crowd of both Souths and Henley and Grange supporters.

It proved to be another great game between the 2 teams with both teams struggling to hit with either side only managing 5 hits apiece, Dom pitched a fantastic game amassing 12 strike outs. Unfortunately it just wasn't our day with Souths running out the winner 4-3.

The year itself was fairly up and down mainly due to the tightness of the competition. All teams from 1st to 8th were separated by very little which caused several upsets, and closer results than expected.

Our year was also hampered by long term injuries to some key players but we were lucky our depth was good and with 13 players to choose from we only relied on a couple of fill in players throughout the season.

I'd like to make special mention to a few players who had stand out seasons: Jared "Molly Whoop Whoop" Molloy who was fantastic behind the plate catching 80% of the season, he also had a cracking year with the bat. Dom Hodges had another excellent year on the mound and Colin "Funky" Talbot had a great year at 3rd letting very little beat him and his second half of the season with the bat was awesome. Andy also proved to be a life saver on several occasions with some great pitching performances.

I'd like to take this opportunity to thank my guys for another great year on and off the field, you're a fantastic group of guys and it was a pleasure spending another Summer playing the best game in the world and having a good laugh and of course several beers!!

Commiserations to the Div 3 boys on their grand final loss also to Souths and bad luck to our under 15/2 team after losing the grand final to East Torrens. Congratulations to under 13/1 and 13/2 teams and under 15/1 for their grand final victories.

A big thank you and well done to all volunteers, committee members, all coaches and ground staff, here's to an even better and more successful 2017/18 season.

Cheers Cano (Jason Canavan –Coach Division 5)

DIVISION SIX REPORT

The season started out with most of the players being concerned that we would not be competitive stepping up from division 7. As it turned out we won half our games finishing middle of the table.

Paul Oliver was magnificent on the mound and with another pitcher to aid him we would have done a lot better. Jake and Ben Rusanoff were a real asset and injected youth into our side. Jake in particular caught for the whole season and then in the last game stepped onto the mound and gave pitching a go, doing extremely well. Next season he is keen on pursuing pitching along with his brother Ben.

The season also saw great improvement from Andrew Gunn and Graham Finch and with addition of Jeff Green this strengthened our team.

The old faithfuls like Steven Gilder and ever supportive Dave Mills are still the backbone of the team. A special thanks must also go the John Lawrence and his son Daniel for scoring throughout the season. Lastly Steve Mc Carron did a great job in making sure the teams had sufficient players especially in the early stages of the season.

Gordon Milner (Division 6 Coach)

DIVISION SEVEN REPORT

It was always going to be tough season for the team . Only 3 members from the Div 7 season of 2015/16 remained. A rebuild of the team was required and with the support of Stewie Peake, David Trevaskis, and Steve McCarron we endeavoured to recruit U15-17 players. Several of the junior coaches came out to support the team and they played their best. We managed to put a team on the field each week and we successfully won 7 and lost 11.

We used the season to develop our juniors and give them as much game time as possible with the guidance of the senior members.

The juniors played well. Giving them this experience improved their confidence and skill level.

Our goals for next season are to recruit players who can support our current player list. We are committed to making the finals series next season.

Two areas of concern are that we require more bats and our catcher's equipment is well below standard.

As a group we believe the future of Div 7 is a promising and bright one, the foundations have been laid for the team to move forward.

I would like to thank the committee, players, scores and everyone who came out and supported us this season.

Tony Zammit (Division 7 Coach)

UNDER 19's REPORT

Got the gig to write the U19's report which is pretty cool considering I've grown up playing alongside a lot of the guys on the team. Obviously our head coach, Devon Barker, is overseas playing baseball and he did an unbelievable job with coaching the boys this year.

Assisting the U19s this season was an absolute pleasure. We had a great group of lads this year and I just want to make a special mention of a few of the younger guys that stepped up this year to help us field a team. They were not just "fill ins" but made major contributions to the team.

I know that I learnt a lot helping out Devon this year and I'm sure every one of the boys have taken a lot away from this U19s season. I can proudly say that every one of the lads improved a hell of a lot, both with their skills and baseball knowledge.

I want to say a huge thankyou to Matt Bartolo who stepped up to score for us this year. Devon and myself were a bit unorganised with some of the off field stuff and Matty B really helped us out big time with being able to score every week.

Congratulations to our Best Batting Average winner - Mr Consistent throughout the year, Jack Kilner.

The Best and Fairest winner this year really was the complete package, which earned him the nickname "the ace" throughout the year. Started on the mound almost every game for us, and consistently threw strikes, which in turn helped in getting outs. Well done again Jack Kilner.

Devon spoke very highly of our Coaches Award recipient, it goes to one of the younger guys who stepped up this year. This kid was an absolute pleasure to coach because of his willingness to learn and his team first attitude. Well undersized, he never backed down from a challenge and was always the loudest player whether on the field or not - congratulations Kai Henderson.

Finally, the Most Valuable Player award, the heart and soul of the U19 team. This guy stepped up to catch for us this year, which he hadn't really done before. Did a hell of a job controlling our pitchers and being vocal on the field. He was our self-appointed captain and was vital in organising the team during the week. Well done Mitchell Matheson.

Declan Steel (U19 Assistant Coach, on behalf of Devon Barker, Head Coach)

JUNIOR COORDINATOR'S REPORT

Season 2016/17 began again with the Rams preseason program at Seaton High for 8 weeks. The program was funded this season via a Discretionary Ward Allowance Grant through the Charles Sturt Council which we were extremely appreciative of. It is a huge factor in our players and coaches being skilled up and ready for the season. It's one of the best initiatives our club has implemented and must continue.

We started our coaching recruitment process early and appointed the majority of coaches in August. Thank you to all our wonderful volunteers.

Henley & Grange entered 7 teams this season (68 registered juniors, 28 registered Tballers), the same as last season. Congratulations to our teams who finished top at the end of the minor round (U13/1, U13/2, U15/1, U15/2 Gold) and who eventually went on to play in FOUR Grand Finals at the home of the Rams. Consequently 3 teams (U13/1, U13/2 and U15/1) came away with a premiership.

Australian, State and Charter Representation was massive again at the Rams. The following players and coaches need to be congratulated:

Lucas Burnell: U12 Australian Team

Ethan Badcock & Liam Bull: U16 State Team

Ethan Badcock, Liam Bull, Jacob White, Ryan Jones, Connor McLeod, Alex Burnell: U15 Charter Team

Luke Trevaskis, Nathan Burlow, Ty Martens: U15 Development Team

Jet Clohessy, Jordan Hodges, Lucas Burnell, Jay Couzner, Chase Rowe: U13 Charter Team

Tom Edwards, Taiga Waugh, Ethan Kelsey, Jaiven Palmer, Boston Hodges: U13 Development

Dom Hodges, Martin Couzner, Andrew Sperling, Graham Hodges, Darren White: Coaches

Once again I must thank my sounding board, Mark Bull, Junior Coaching Director, who is as passionate about the junior program as I am and puts in an abundance of time and effort to ensure we stay the best club in the West. This year we also had the extra valuable input of Andrew Sperling who begun the ball rolling in the implementation of a new concept we want to see blossom at the junior level, a Coach the Coaches role. This was beneficial and something Bully and I can work on more next season. We were also lucky enough to gain a Grant from the Australian Sports Foundation that saw new bats, helmets and gear bags join our out-dated equipment. We are very thankful and this will allow our forever growing club to continue to develop and produce success.

Rowena Trevaskis (Junior Coordinator)

UNDER 11's REPORT

Pre-season for the under 11's this year got off to a slow start with only 7 players registered to play. Rowena worked hard as per usual and convinced a few of the t-ballers to step up to the plate and make the transition early to baseball with Cody, Jett and Mitch putting their hand up. A massive congratulations to these boys who all progressed steadily throughout the season with the big task asked of them. The first few games were up and down with the players learning the positions and getting a handle on hitting the pitched ball. Scout, Jack, Carter and Kalan showed leadership within the team and assisted the younger players to get some plays and get the ball down over the plate.

We had some further luck with players after the first few games with Lachlan Smith joining the team and Lachlan Cruickshank making a return to baseball after a few years off. Both payed attention well and gained a good grasp of the basic fundamentals early on.

After the Christmas break, the boys seemed to lift a little and got a taste for winning games, stringing a few in a row towards the end of the season. Luca and James both made some good plays and the team began to find their rhythm with the bat. Despite several games cancelled due to heat and rain, the boys clawed their way back with the last few games and finished 3rd on the ladder. A great result considering the tumultuous start to the season.

Quite a few of the lads will start their baseball careers in earnest next year as they progress to the under 13's. I wish them and the rest of the continuing under 11's all the best in the coming season as we rest the arms and look forward to Spring training.

Also, a massive thank you to my manager, Wayne Rowe for his efforts throughout the year, Adam Roe for assisting coaching, despite his other commitments with under 15's and to the dads who helped out during training, Graham, Paul and Harry, your assistance was greatly appreciated.

Another big thanks to Megan Rowe and Karen Smith who did a great job scoring the games, without them, the ball game is not possible.

Mark Rowe (U11 Head Coach)

UNDER 13 Division 2 REPORT

OOPS.....WE DID IT AGAIN! YES, THE UNDER 13/2 ARE THE PREMIERS!

Firstly, let me thank the wonderful help from assistant coach Ben Edwards, and our merry men of helpers, pitchers, fielders & equipment & sometimes dummy picker uppers: Simon Scolyer, Marek Matuszczak, Paul Palmer and Darren Kelsey and of course our team manager who always kept us informed...Naoko Waugh, and last but not least our scorer...Rachel Edwards.

I was fortunate that I kept 8 players from the previous season. Under 13 was a big adjustment, with being able to steal bases, and even taking signals! (when they are looking!!!). Having coached most of the boys for 2-4 years, the team & families have become great friends and really enjoyed each other's company on and off the diamond.

Next year will be a bigger challenge playing 13/1, which I know we can deliver a good result, with hard work & determination.

Congratulations to the trophy winners:

Charlie Scolyer – Most Improved

Taiga Waugh – Best & Fairest / Best Batter

Jaiven Palmer – Team Champion

A special mention goes to Taiga for doing an outstanding job and winning overall BEST PLAYER in 13/2. (I think it's all in the coaching!!!)

Till next season when we play ball again!

Graham "Edgy" Hodges (U13/2 Head Coach)

UNDER 13 Division 1 REPORT

Wow, what a season. Undefeated and premiers. Success doesn't happen overnight, so I would like to start by thanking our wonderful, dedicated and committed Junior Co-ordinator, Rowena Trevaskis for her professional and tireless work. Thanks also to Mark Bull for setting up the pre-season training schedule.

I was given ten young men pre-season, who were all blessed with some fine baseball talent (five Rays Charter and one Australian representatives), With the help of my great assistant coaches, Marty Couzner and Dave Kite, we endeavoured to fine tune their skills, continue to develop their knowledge and understanding of the game and stress the importance of having a great attitude and working hard.

Thanks to the many parents who assisted during the season, Susie Kite for scoring, Georgia Kite for pitch counting, Lawrie Smith, George Protopsaltis, Mark Rowe and Noe Trevino for assisting us at most trainings.

Thank you to the parents of players for getting your kids to trainings and games on time. We had a wonderful bunch of kids who were a privilege to work with and whom I was extremely proud of.

GO RAMS !

Dom Hodges (U13/1 Head Coach)

UNDER 15 Division 2 MAROON REPORT

I had the great pleasure of being a part of this team with a great bunch of base ballers, they worked well together and developed a great team morale which resulted in the professional way they went about their game/training.

This was the first year in U15s for everyone in this team, some players struggled at first with the change, but by the end of the season, as the player's confidence grew, everyone showed great signs of improvement.

We had many close games and some not so close, overall we were very competitive for long periods of the game, but some fielding errors at critical times resulted in games which we lost/drew that we should have won, and found ourselves always trying to come back from behind.

Sam Gardner and Mitchel Furniss were our main two pitchers, who were well supported by Mitchell Bennett, it took a few games for these boys to cope with pickoffs and stealing runners, but once mastered, we were constantly picking off runners stealing and not paying attention. They were well supported behind the plate by Gemma Letamendia.

Charlie Parolin and Rhys Mandryk took ownership of their positions in the infield, and with Zach Munzer in our outfield, catching anything within reach, he was well supported by Karn Proctor and Cameron Fraser.

Thanks to all who played throughout the year, there was a lot of improvement from the start of our season to the end, with lots of kids making positions on the field their own.

Special thanks to Marcus Letamendia (assistant coach), Damian Furniss (team manager) and Michael Gardner for the great effort they put in during the season. Special thanks to Julia Letamendia for scoring (fantastic job in her 1st year) and to all parents that assisted in this year in many different roles at both training and on game day, a big thank you for your efforts

Frank Letamendia (U15/2 Maroon Head Coach)

UNDER 15 Division 2 GOLD REPORT

The U15/2 Gold team had a great season and finished minor premiers.

We hit the ball very well, developed some new pitchers and kids that had never played before.

The introduction of leading off on bases and stealing made the learning of the game much more important and we worked hard on this, and signals, all of which was new to the group.

I had great support in the coaching box with Karen and Michael Burlow, and Jared Molloy also. This made coaching a lot easier.

The team was rotated to develop their own game and the ability to play multiple positions.

We also had fun in our team which built a very strong bond with the group, which sets up the team to hopefully remain friends for a long time in future, whether it's in baseball or not.

We made it to the grand final, but unfortunately were not able to beat East Torrens. This team was the only team we did not beat all season, and we did not lose any other games besides theirs. We had a bad start in the field, but regained composure, however we could not manage to score enough runs, which we have been able to do all season.

It was definitely a great learning curve for the team, and losing will make them stronger and hungrier for success in the future.

In closing, I enjoyed coaching the boys, had a great season, and I'm sure they have progressed well enough in their baseball careers to set them up for the future.

Adam Roe (U15/2 Gold Head Coach)

UNDER 15 Division 1 REPORT

There were high expectations for the division 1 team this year with the majority of the squad reunited from the U13 premiership team in 2014/15. Darren White joined the group as the assistant coach & Nadene Bessell filled the role of team manager. A special mention to our loyal scorer Portia Utting on a stellar job.

There was strong competition for starting positions after a solid preseason training program. A squad of 9 players was selected to fill the team & we added our super substitute Jack Balkwill during the season.

We hit the ground running, winning the first 6 games but in round 7 we experienced the first loss of the season to Goodwood. It was the game we needed to lose as it highlighted the areas to improve on as a team.

We adjusted the infield positions to best utilise the strengths of each of the boys which settled the team. The boys were quick to regroup and worked hard on the skills needed to take their game to the next level. There were challenges in the remainder of the minor rounds but the team found ways to overcome them not losing another game. Finishing minor premiers with 13 wins & 1 loss we entered the finals as hot favourites.

The finals proved to be a major challenge with West Torrens leading early in the qualifying before we came home strong to win 5-2.

The preliminary final against Goodwood was a marathon with rain delays and playing late into the dark. Goodwood led early 4-1 before we rallied to gain the lead 5-4. The teams swapped the lead in each of the innings before we finally overcame them 7-6 in the seventh innings.

We left our best effort for the grand final playing East Torrens. The East Torrens pitcher had the best of us early and they made all the running with the bats scoring 10 runs in the first 5 innings. Leading 10-1 most people had conceded the title to the visitors before an amazing comeback. We scored 2 in the fourth & 2 more in the fifth. The sixth innings proved to be the decider as we scored the maximum 7 runs to hit the lead. We recorded the 3 outs required in the top of the seventh innings finishing with a pickoff move to third base the final out. A fitting way to clinch the premiership and putting the finishing touch on a great season.

The strength of this team was that every player contributed with both bat & ball. All of the players knew their roles and worked hard every week to improve & learn. Pitching depth gave us a huge advantage over the rest of the competition. When we went to our ball pen its strength was the difference in the games.

We used 8 pitchers during the year but Connor McLeod & Ethan Badcock shouldered most of the work load. Both had exceptional years and really honed their skills. Unfortunately an arm injury to Connor late in the season limited his impact on the finals. Liam Bull who filled the utility role in the infield this year covering all positions as needed stepped up in the finals dominating on the mound to close out all 3 games. Jacob White proved to be a very handy relief pitcher confusing batters with his variation. He also made third base his. With good hands and strong arm he continually threw out base runners. Jordan Chandler was challenged behind the plate as our catcher early but worked hard with the coaches to emerge a much improved player by year end.

The pivot positions were another area of strength of the team. Ryan Jones came across from Adelaide and once he settled into the short stop role there was no stopping him. Luke Trevaskis moved to second base mid season and found a new home completing a super infield.

The outfield positions had been a weakness in previous seasons but this year it proved to be strength. Ty Martens made some amazing catches and set the standard which Alex Burnell followed. Our pitchers filled the final outfield spot using their strong arms to great effect.

Batting was a key feature of our team with the team average over 400. Led by Liam Bull, batting 722 for the season including 5 home runs and not a single strike out. He was supported by some power hitting from Ethan, Ryan & Connor combining for 11 home runs between them.

Awards

Most Improved - Luke Trevaskis

Team man - Ryan Jones

Batting Average - Liam Bull .722

Best & Fairest - Liam Bull

Thank you to the boys for all their efforts & to the great support of their families for making the season such an enjoyable experience. Best wishes to all.

Mark Bull (U15 Head Coach)

UNDER 17 Division 1 REPORT

2016/17 was a season of 'what could have been!' In the end the U17s finished with 8 wins and 8 losses. We finished the season on a high with a win over East Torrens who were sitting second on the ladder but unfortunately we missed a finals spot by one game.

Overall our batting improved through the season as our players finally started to swing the bat which was great to see. Our fielding also improved as we started to hit our cut-offs and make critical plays. Unfortunately our pitching depth was stretched all year through injury and consistency. There is certainly some pitching talent in this group that with practice and dedicated training will come to the surface in future years.

Another challenge for this group was simply we only had eight U17s on the roster. Lachlan Keogh, Ben Pilmore, Connor Tutt, Kai Henderson, Liam Lynch, Zak Trevaskis, Isaac Norman and Breandan Taheny. Only twice through the year did we have all 8 players at training so many trainings were restricted with reduced numbers present.

Special thanks must go to all the U15 players that helped the U17s throughout the year. Particular mention to U15 Ethan Badcock who played in 14 of the 16 games throughout the year. Ethan proved to be a very valuable asset and ended up winning the U17 batting trophy with an average of .500, an outstanding effort.

Our most improved player for the year was Liam Lynch. Liam's game in many aspects improved immensely. He played mostly at third base and by the end of the year made some great plays. But most of all his batting really improved with twice as many hits than last year and a much improved batting average of .294.

Our B&F was Lachie Keogh who had an outstanding year. It was also an easy decision to award Lachie our Team Champion award. Lachie was always the one at training who was focussed on what was asked and needed to be done. He was always the player who wanted to step up and take the ball and pitch on game day. He was reliable, courteous, dedicated and a real backbone for our team throughout the whole year and certainly deserved both awards.

Very special thanks to our regular scorer Sharon Tutt-Young, Team Manager Patrick Sloan and Pitch Counter Robert Young as well as all the parents who regularly assisted with many tasks and canteen duties. Finally I'd like to sincerely thank Paul Roxby. At the start of the year we had a vacancy in the U17s coaching position and by chance I ended up as coach. However 'Rox' put his hand up to give me a hand at the last minute. In true form Rox stepped up and coordinated most of the drills at training and provided the baseball knowledge on game day from the third base coach's box. Rox's generosity with his time and patience cannot be understated. Thank you so much Rox!

David Trevaskis (U17/1 Coach)

EVENTS & FUNDRAISING REPORT

2016/2017 was a year of firsts for this year's fundraising team. The first time Ebony Vine joined the role, the first "Ladies Day at Ram Park" and the first time in a long time that we had some key events for the season. We started with Opening Night and ran a fundraising event every month right up until the end of the season. One of these was Kempy's Roast which saw Life Member Peter Kemp roasted and toasted and brought a lot of old and new faces down to the club. We had our first Ladies Day which included stall holders, raffles, pretty frocks and of course fascinators! We brought back Karaoke for Christmas, which was a bit of fun and a lot of laughs. Finally, we had our junior and senior presentation shows to celebrate a fantastic year and kick up our heels for the final hurrah of the season. Overall we had a very fun year with varied events to suit everyone and also helped fundraise at the same time. A full list of events can be found below.

Opening night- 7th October 2016

96/97 Premiership reunion show/Ugly Shirt party- 12th November 2016

Volunteers/Sponsors Appreciation Night- 2nd December 2016

Christmas Karaoke- 17th December 2016

Ladies Day/Rams Race day- 28th January 2017

Kempy's Roast- 18th February 2017

Junior Presentations- 25th March 2017

Senior Presentations- 31st March 2017

Break down of fundraising:

Social Fundraising & Raffles summary	Profit
Junior Presentations	\$681
Kemps Roast	\$1,920
Ladies Day/Race Night	\$1,847
Lucky Squares throughout season	\$375
Meat Tray Raffles	\$369
Reverse Raffle (Senior Presentations)	\$550
Shark Tank Raffle	\$750
TV Raffle	\$317
Total profit made-	\$6,148

Ebony Vine (Events & Fundraising Coordinator)

GRANTS & SPONSORSHIP REPORT

This season, the club unfortunately lost the support of our major sponsor, CRC Industries. This was due to Neil Goodings moving on from the company. I would sincerely like to thank Neil and CRC for their support over the past six seasons. CRC has contributed \$30k to our club which has allowed us to rebuild our senior and junior programs and update club infrastructure and playing equipment. I would like to thank this year's club sponsors. Without your support and generosity, our club could not survive:

- ALH Group Hotels (Andrew Gunn)
- West Lakes Shore Foodland (Chris Janssen)
- Emmsee Sportswear (Grant & Ros McCarron)
- Gas Works Findon (Adam and Zoe Roe)
- Sloan Sands (Patrick Sloan)
- Seaton Pizza Bar (Kenny)
- The Red Mill Café and Bakehouse

From a Grants perspective we were successful in two applications, I wish to thank:

1. Charles Sturt Council – DWA \$3200.00 which went solely towards paying for the hire of Seaton High's indoor baseball facility for our junior and senior 8 week training program for pre-season.
2. Australian Sports Foundation – Giving 4 Grassroots \$6900.00 which went towards equipment including a new Aussie Tball Kit, bats, Tball gloves, Tball tees, Tball bases, balls, helmets and stickers for our helmets to signify they belong to H&G.

Thanks to DT who completes numerous applications for the club, great work.

Dom Hodges (Grants & Sponsorship Coordinator)

UNIFORMS & MERCHANDISE REPORT

This was the first year this position was created so I have spent most of the season getting an understanding of our uniform strategy and merchandise needs, this included building a strong relationship with our supplier and sponsor Emmsee Sport. With the introduction of the Uniform and Merchandise role the club was able to take physical ownership of the training items of merchandise stock that was previously held at Emmsee thus allowing us to sell items at the clubrooms this season. At the end of the season we have also been able to take responsibility for Club owned playing tops which will now include the allocation of playing top numbers from next season. The task of selling merchandise, control of playing tops and numbers was previously performed by Emmsee. I acknowledge and thank, Grant, Ros and Steve for their tireless support of our Club.

At the start of the season we held a couple of "Swap Meets" for people to trade or swap unwanted items of equipment or uniform. The response was positive enough that we will do it again next year.

We introduced a few new items of H&G branded supporter merchandise this season which included Raglan T-shirts, car stickers, grey and maroon T-shirts, playing socks, supporter caps and umbrellas. All items have been successful inclusions with sales being very good.

Gross merchandise sales for the 2016/2017 season totalled \$2,500. After paying invoices for items of stock such as t-shirts, raglans and socks we made a profit of \$315 and we have \$4,500 of stock on hand at the end of the season.

Karyn Burlow (Uniforms & Merchandise Coordinator & Scoring Nerd!!)

GROUNDS REPORT

While we did not have Mudgee to help this year we did have fantastic weather for a Grounds crew. We had regular rain during summer so the grounds looked really green. The Council's regular mowing and watering also helped. The only time the weather did not help was when it rained during the finals for the 4 junior teams we had playing at home but due to the hard work of Dave Trevaskis (DT) we got the grounds in a useable condition and the games were completed.

Thanks to all the club members who helped on Saturday mornings, changeovers between seasons or special projects around the club. A word of thanks to the SMOSH West Lakes Senior Football teams who took the fences off the grounds and the benches in about 30 minutes before training one night. A good illustration of 'Many hands make light work.'

DT and Greg Peake have done a terrific job all year and our President, CJ, has made regular guest appearances on Saturday mornings, with coffee, to help.

Peter Kemp and Dave Mills have helped with keeping the mound looking good for the senior games on Sunday.

Again Patrick Sloan helped with providing the mix for the mounds and bases.

We do need a little assistance with keeping the 'L' frames safe, the pitching machine running and some small tasks around the storage and pitching machine enclosure so if you have some spare time we can always do with some help during the week from someone with basic Engineering skills, like using a spanner or screw driver or sewing on a new net or doing a bit of touch up painting.

Andrew Dolman (Grounds Coordinator)

CANTEEN REPORT

Due to the physical hard work of Mark, Sue and Liam Bull, the canteen was given a massive make-over at the start of the season which made the area a delight to work in. Mark Bull was in charge of stocking the canteen which I'm sure was a huge contributing factor to the amazing revenue it generated for the club this season. With a profit of over \$10,000.00 we now have a real benchmark for the coming season. Thank you to all the volunteers who served throughout the year, each team contributed at least twice, some more, but it was a huge club effort. We trialled a new system having Seniors run Sundays and Juniors run Saturdays which proved worthwhile.

Running the canteen is hard work but it is fun. I generally opened and closed every Saturday and Sunday with the help of other committee members Chris Janssen, Ebony Vine and Matt Bartolo, however this is not the best way if you are a parent or a player, it is just too time consuming, therefore I would suggest next season the

implementation of a Saturday Manager and a Sunday Manager. If you are reading this and think you'd like to have a go please contact the committee, your thoughts will be very well received. Like anything at the club, you will not be left on your own, there are plenty of helping hands, we just need at least 2 people to be in charge of the process.

I'd love to list every volunteer to say thanks but that would be 122 people. WOW! Let's continue the great work we've started and ensure the canteen is a big money spinner for our club.

Rowena Trevaskis (Crazy Canteen Chick)

TREASURER'S REPORT

My last year as Treasurer and I would first like to thank all members for their continued support and very special thanks to all committee members for their support over the years. It was another challenging year for the Baseball Club in which we saw our Major Sponsor CRC deciding not to renew our partnership. This created some unforeseen issues in regards to cash flow. We did see a few more sponsors come on board which was great news and this coupled with a fantastic result from the canteen and fundraising efforts, we were able to fill the vacuum created by the loss of sponsorship from CRC.

Overall the club will show a small profit of approximately \$1,000 for the 2016-17 season and this would have been better had we not still have outstanding fees totalling approximately \$2,000. It is an issue that continues to plague our cash flow year on year and I have found it disappointing that a large number of members don't have an understanding of just how important it is to 1 – Pay their fees on time so we can therefore pay expenses that the club incurs during the year and 2 – pay their fees in general.

Members may not be aware that the money paid directly to the league does not cover any other costs incurred by the club. This money goes directly to the league and we don't receive a single cent of it, for example not even to pay umpires. This is a separate cost to the club. The Bank balance is around \$2,000 so it is imperative that members pay their fees on time so we can continue to be liquid during the season.

Other matters of interest are:

- Outstanding 16/17 fees amount to over \$2000. **Every Club member should be urging their fellow members to pay fees as it becomes difficult leaving this to the Executive only to pursue.**

One last thanks to all players and coaches for their efforts during the season, I hope to see you all next year and please remember, any ideas you may have to improve any aspect of the baseball club, don't hesitate to contact a committee member or your coach as we appreciate input and feedback from all our members.

One final special thanks to all the committee members and volunteers who helped out during the season.

Scott Bean (Treasurer)
