NORTHERN DISTRICTS BASEBALL CLUB

Proudly offer you the opportunity to support your local community and advertise your business through sponsorship of our Club and/or Individual Players.

Fantastic Advertising Opportunity

With the completion of our new clubrooms and the ever growing support from our local council who are working with us to produce the best baseball facility in the Northern Suburbs, *NOW* is a great time to get involved by supporting the Northern Districts Baseball Club through sponsorship.

What a fantastic opportunity to demonstrate your commitment to your local sporting community whilst, at the same time, opening up the opportunity to receive additional advertising for your business. Surely this is a win/win situation for all concerned.

With the commitment to the development of our clubrooms and grounds, you are assured of plenty of exposure over the next few years. As we continue to grow, both our facilities and our club membership, player and supporter base, your business exposure also grows through your sponsorship of the Northern Districts Baseball Club.
