

2018/19 SEASON STARTS OCTOBER

Clubs associated with the SABL are putting together a women's team for this up coming season and the Reds are no different.

We would like to announce that this summer we will be entering the inaugural Northern Districts women's team into the SA Women's Baseball League.

We are excited to be forming a women's team for the first time and would like to welcome new and existing players to join the Northern Districts Baseball Club family. Our team is open to anyone over the age of 15 whether you are an existing player trying to bring your game to the next level or are brand new to the sport. We welcome you all to join our journey of building a pathway for female athletes in this sport.

So we are asking all players and members if you know someone who is looking for a new challenge or loves to just get out and give things a go then please let them know about this great opportunity to be part of Northern Districts Baseball Club first ever women's team on our 50th season.

We are approaching the upcoming season fast so we urge anyone to contact the club with any queries or concerns. It is important to please be in contact as soon as possible with an expression of interest to ensure the team goes ahead!

If you are looking for a new sport this summer or always wanted to play. Come try out at the Reds for this coming season of the women's league starting in October. Please feel free to invite your friends and family to be a part of this journey.

WOMENS LEAGUE REGISTRATION FEES FOR SEASON 2018/2019

Subscription Type	State & National	NDBC Member
