Mustangs heading in the right direction

Mustangs Baseball Club would like to congratulate **Dante Lusio, Mitchell Graham** for their inclusion into the Under 12 Bankstown District Representative side for the upcoming season. We would also like to congratulate **Riley Harrison** who is included into the Development Squad for the upcoming season, **Uros Vukovic, Alex Magnussen, Blake Thurtell, Sarah Cecchetelli and Brooke Pacella** have been successful in their quest to represent the Bankstown Association in the upcoming season in the Under 14 competition. Mustangs also have players interested in trying out for the Under 16 competition, the final cut is yet to be done. These players are the products of the Mustangs development of the younger players within the club.

We would also give praise to the Girls Softball team that went through the season losing only 1 game. The girl's softball has been a great success story for the club over the past 3 seasons with all our teams making it through to their respective Grand Finals and winning 2 of them, the girls have talent.

We also would remind people that our senior

men's baseball teams are always regular place getters in their respective final series for their competitions.

This year Mustangs are embarking on a registration drive like never seen before. No junior winter sporting club, school or junior group of any gender or nationality will be missed in our endeavour to target a record number of players into our club in the upcoming summer season, everyone is welcome from 5 years young upward.

Our registrations officially start at Bass Hill plaza Thursday evening 23 July 2009 starting around 5pm through to the end of August.

During that time we will be hosting Mustangs style of Try Baseball at Boggabilla Reserve 2 and 9 August 2009 everyone is welcome, a free sausage sandwich and soft drink will be given to all participants.

Any new registrations will receive a free club hat.

If you cannot attend these days and still wish to register for our club you can phone the club **President George Johnstone** on **0404 448 230** or **email the Club** on

mustangsbasketball@live.com and leave information so we can return contact you.

The reasoning behind the My Club system was to keep on record for Baseball NSW all participants and players for the sport, unfortunately the system has now been abused and the club will do all possible to preserve the privacy of all our members.
