April 2012

Outstanding season for Mustangs Baseball Club

This past season has been one of the most successful seasons in the history of the Mustangs Baseball Club.

The club, this year won the Club Championship for the association.

We have our Under 10 team as Premiers.

The Under 12 Bourke team is the winners of the Don Sohler Trophy.

The under 12 Mustow were competitive all year but the weather was their enemy and finally eliminated them from the 3rd consecutive Grand Final appearance.

The Under 17 team fell short of the Grand Final victory to be beaten by Sports Club.

The under 14 team faced the same fate only to be beaten by a more fancied opposition, a team we beat earlier in the competition.

Ground renovations this year

This year the club will be building Bull Pens and seating on the Roy White diamond.

This imitative has been undertaken by the club in the name of safety when warming pitchers up before or during the game. There will be some work to improve the existing playing fields on the diamonds.

e also intend having a Working Bee before the new season gets underway and we would expect members to be involved.

Presentation Day

This year the presentation day will be held at the park on Sunday 6th May 2012. There will be rides show bags, lunch and drinks supplied along with the presentation for all players that participated in the club this year. The presentation will commence approximately 12.30pm.
