Mustangs wish everyone a Merry Christmas

Mustangs Baseball Club would like to wish everyone a Merry Christmas and a safe and Happy New Year. To anyone travelling have a safe trip and see you back in February 2013.

Mustangs Team report

Mustangs teams are all well placed in the lead up to the Christmas break. We have Under 17 and Under 12 Black leading their competitions. All other teams are at this stage are in the semi final race except seniors who are working hard to be there at the end.

After a turbulent start to the season Mustangs are still sorting out some problems caused by some.

Everyone needs to stay positive in this time and Mustangs will soon be back on track as the Club to Beat.

Thanks to everyone that has contributed to the Hard work to get Mustangs back to where they belong.
