Vol 14

June 2013

A new season approaches

A new season approaches and there is still a lot of work to do.

We are looking for members to assist with our recruitment drive at Chester Square toward the end of July through to the start of September. Anyone wishing to become involved let us know on the Mustangs email:

mustangsbasketball@live.com

Anyone wishing to register their children do so now as numbers are filling fast.

Anyone wishing to learn to coach or umpire the club will arrange for you to become accredited, this is a rule.

Each team will be asked to put a member forward so they can be accredited

Canteen Manager required

We are still looking for someone to assist in the running of the canteen.

This season it will be compulsory for each team

to name a volunteer at home games to assist in the canteen duties.

New registration system and Website

Australian Baseball will be introducing a new registration system that will also replace the current club and association web site which will be online as from September in time for the new season.

Club Presentation Day

The club presentation day was another great success thanks to the efforts of Grahame and Cindy Thurtell and everyone that got in and helped on the day.

It is sad to see Grahame has stepped down as secretary of Mustangs Club but hopefully we will not see the end of him or Cindy

Monster Raffle

Great to see the monster raffle was won by Kaitlyn Kelly one of the younger members of Mustangs Club. We all hope you have a great holiday with the family.
