## **NEW SEASON APPROACHING**

A new season approaches and there is still a lot of work to.

We are looking for members to assist with our recruitment drive at Chester Square toward the end of July through to the start of September. Anyone wishing to become involved let us know on the Mustangs email:

[mustangsbaseball@live.com](mailto:mustangsbaseball@live.com)

Anyone wishing to register their children do so now as numbers are filling fast.

Anyone wishing to learn to coach or umpire the club will arrange for you to become accredited, this is a rule and also needs to have a Prohibited Person Check at;

<http://www.kidsguardian.nsw.gov.au/>

[Working-with-children/working-with-children-check.](#)

Each team will be asked to put a member forward so they can be accredited.

In 2015 all volunteers will need to have their Working with Children checks done and approved

## **New Amenities block**

As everyone will be aware the new amenities Block is well underway. The new building is a major improvement on what we have been used to. We will have our own clubroom and vastly upgraded facilities which again shows we are the club of the future.

## **New age groups**

The ABF in conjunction with Baseball NSW have made major changes to the competition and age groupings for the competition.

With this came a big increase in fees.

After doing a check with most clubs with the association I can report that, YES we needed to increase our fee structure but still be competitive against other clubs.

All clubs need to increase fees in line with

the structure Baseball NSW and ABF have introduced.

We, the executive understand some people will not be happy, but we have tried always to keep fees to a minimum.

Any person that is struggling with their fees can speak to their Committee member to organise some help.
