A new season approaches

A new era begins at the Mustangs Baseball Club, we have won our 4th consecutive Club Championship. We have a new and experienced committee. We are on the way up. We are still looking for someone to take charge of the canteen, we have plenty of helpers. We are looking for coaches to educate our young chargers on the finer plays of baseball. All in all we are now moving into a fresh new era for Mustangs and you are welcome to come along with us.

Anyone interested in either coaching, Managing, Scoring, assisting in any way we can be contacted on email mustangsbaseball@live.com

Age groups change

Australian Baseball have introduced a new age group formula that may see some players having to change teams. Australian Baseball have introduced this age group change to fall in line with Little League in America. So if anyone has to change teams this may not be the fault of the club.

Club Presentation Day

The club presentation day was another great success thanks to the efforts of the committee. The club would like some feedback on the Presentation day so if you have any suggestions to improve they can be discussed and acted on if agreed.
