Vol 3

October 2009

Well, the season has commenced and the Mustangs are proving once again to be a force in all age groups. At the time of printing the;

**Under 7** team were having a good time and also winning their share of games, remember this age group is not competition and is an introduction to the sport for the kids.

**Under 8** team started the season with a forfeit but have got into the swing winning 3 of their 5 rounds.

**Under 9** team is undefeated and shows what potential we have coming through the ranks.

**Under 10** team are mostly new players they are enthusiastic and is a team just waiting for a win to set them on their way.

**Under 12 SPV** are currently running 2<sup>nd</sup> in the competition and are improving each week, this team has the ability to go all the way.

**Under 12 Expos** are a team full of newcomers with only 1 win under their belts but only losing 3 games by 1 run. We expect a great improvement.

**Under 14** team again undefeated, again a team that can go all the way.

**Under 16** currently sitting in 3<sup>rd</sup> place and have heaps of potential... This teams players are their own worst enemy. Players need to realize that their team is more important than their own personal success. If they realize this they are another team that can go all the way.

The seniors **A Grade** team is currently sitting in 4<sup>th</sup> place and is a hope of improving.

**F Grade** seniors are currently in 2<sup>nd</sup> place and looking good for the season.

The Rookies team played in their 1<sup>st</sup> Gala Day of the year and made it through to the A Grade grand final. Along the way we beat association teams from Bankstown, Ryde and a combo team from Manly. This is the hard work put in by Paula Bourke and her coaching staff that assists her each Saturday afternoon at Boggabilla Reserve. Another first for Mustangs and it looks to be another successful initiative.

#### **Mustangs to play in SJDL Competition**

Mustangs Baseball have been invited to play, as a club in the Sydney Junior Development League next season.

We, the club are excited about the prospect of having a development programme within the club and entering into a competition against other associations on a regular basis.

We, the club have started preparations to enter this competition and development programme with the view of club players now able to represent the club.

We have always believed we have the players, coaches, facilities to enter into this programme as a club with the programme and now able to realise the goal.

I know the club will make a go of this and will strive to enter teams in all age groups.
