

Infield Flyer

Vol 4

February 2010

Well, as the season is coming to a close and Mustangs have shown to be a force in all age groups.

Under 7 team are still having a good time and also winning their share of games, remember this age group is not competition and is an introduction to the sport for the kids.

Under 8 team is currently running in 5th place, a credit to Peter, Luke and Mikal. It is also great to see the kids enjoying themselves

Under 9 team is still undefeated and shows what potential we have coming through the ranks. Their closest rival Bankstown Sports is packed with overage players cannot be beaten for Minor Premiership

Under 10 team players are enthusiastic but still need some luck to go their way.

Under 12 SPV are currently running 3rd in the competition and have gone into a slump, hope they pick up before the semi finals, they are guaranteed a spot

Under 12 Expos are another team that only needs some little things to go their way most games have been lost by less than 3 points. Not able to make the semi finals but still capable of upsetting some more fancied teams.

Under 14 still undefeated, like the Under 9 team cannot be beaten for the minor premiership

Under 16 currently sitting in 3rd place and have heaps of potential. This teams players are their own worst enemy. Players need to realize that their team is more important than their own personal success. If they realize this they are another team that can go all the way. Nothing has changed

The seniors **A Grade** team is not playing to their potential and some of the players are not taking the game serious enough to the detriment of the team.

F Grade seniors are struggling to win games another team in a slump

The Rookies team has finished for the year and it gives me pleasure to announce that in all their Gala Days the worst they finished was equal 4th. Some of the team is still eligible to play Rookies again next season.

Trivia Night The trivia night has been and gone and although we didn't get the roll up we normally get and expect, we had a great evening and made some good money for the club. Again we welcome people from other clubs to assist in our fund raising efforts

Golf Day – We are looking at the Golf Day and spit lunch on or about the weekend of the 27th – 28th March 2010, we are awaiting confirmation from the Golf Club which is best and available

Coaching positrons for next season

E, the club is now taking written nominations for coaching and managing positions for next season. The selection committee will decide who are the best coaches for the position and assist each coach in appointing an assistant for the age group.

Mustangs to play in SJDL Competition

Mustangs Basketball have been in talks with a uniform sponsor for the SJDL competition for next season. At present uniform design has been a task on its own trying to satisfy everyone on the design that the sponsor has come up with. I am, sure that we will all come to an agreement in time for the competition to commence.

NSWJBL TOURS

NSWJBL have put out the roster for their tours.

Trials will be at Boggabilla Reserve on 21st and 28th March 2010.

Anyone interested can get information from the committee
