Vol 5

May 2010

Hi All,

I would like to welcome you all to Mustangs Baseball Club for 2010. It was great to see so many familiar faces and very exciting to see a lot of new ones. The Mustangs Baseball Club will be competing in the Bankstown District Baseball Association competition. As you are aware we have had our first registration in July 2010 and as you can see from the picture above all the athletes seem to be excited – and so they should be, not only will they be great baseballers by the end of the season they will look a million bucks.

As each player is new to the Club I would just like to give you some information and hopefully answer any questions that you may have.

## TRAINING

Training will be at Boggabilla Reserve Bass Hill

We are waiting for our training day to be issued by the club.

Times will be determined by the Coach in conjunction with the Club.

Duration of training will be at the descretion of the coach, however at least 1 hour per week is the Clubs recommendation.

## PRESEASON

Preseason training will start August (day to be determined by Mustangs Baseball Association)

This training will be “skills, drills and fitness” orientated.

The club coaches will teach the fundamentals of T Ball and baseball and fine tune those players that have previously played, as well as some fitness training. This skills, drills and fitness training will be ongoing throughout the season. At the conclusion of the season the new players will have obtained knowledge of the rules and basic fundamentals, the players with previous experience will have finetuned their skills.

## 2010 SEASON

The 2010 season starts in September – the draw will be issued prior, however we play on Saturday morning at 8.30am or 1030am, we do not play during school holidays.

## UNIFORMS

All players will be loaned a playing shirt – which they all seem to very excited about – this will be given to the athletes in August.

All players are expected to train in proper long pants and playing shoes.

In time we will have Club attire and merchandise, however as we are trying to keep costing down, and still look great. Training shirts are available.

## FUNDRAISING

Participating in sport can become very costly and most families have more than one family member actively involved in sport. We aim to provide the athletes with the opportunity to participate in sport and be involved in a team environment at minimal cost. To do this we are seeking sponsorship in a number of forms. We have a sponsorship package available, so if you know of any businesses or persons that you think would sponsor the children we will be happy to get you a package.

During the season we have raffles and Trivia nights and would expect everyone to participate in these endeavours to raise money for the club

## COACHES AND MANAGERS MEETING

We will be holding a Coaches and Managers meeting during August. This will be to inform all Coaching staff of what is expecting in 2010. If you are a parent and you wish to Coach or Manager please feel free to attend everyone is welcome, if you would just like to attend to hear what we as a Club expect of the Coach and Manager we would love to have you come along.

## DEVELOPMENT SQUAD

Mustangs Baseball will also be running Development teams and also a Rookies team extra training will be held for theses players selected to be in our development teams. The training starts in September .This is designed to prepare the players for future Representative teams. If your child is interested please email the Club so the appropriate paperwork can be completed. Forms need to be completed asap for submission.

If you have any family or friends that would like to play baseball we have registrations online Should you have any questions at all please feel free to email the club at [mustangsbasketball@live.com](mailto:mustangsbasketball@live.com) or call myself (George) on 0404 448 230

Look forward to an exciting season ahead.

Yours in Sport

George Johnstone
