Vol 7

March 2011

## Mustangs again produce the goods

The Mustangs under 10 Rookie team this year has again excelled in the tournaments specifically for this age group. Under the watchful eyes of Chris Mustow and Paula Bourke this team is one for the future success of the great Mustangs Club. The team (pictured below) won the Castle Hill Graduation tournament and the following weekend came 3<sup>rd</sup> in the Stealers Gala Day only to be beaten by 2 stronger Association Representative sides. Earlier in the season the team won the Pittwater Cup and also Runners up in the Coasties Cup. These players represented the Club and no charges were imposed on the parents.

## Semi Finals now due

The Mustangs again had a great year on and off the field with all teams performing well.  
Under 8 finished in 3<sup>rd</sup> place (No semi finals)  
Under 9 finished fourth  
Under 10 finished Minor Premiers  
Under 12 Bourke finished 2<sup>nd</sup>  
Under 17 finished 3<sup>rd</sup>  
F1 Grade Green finished 5<sup>th</sup>  
F1 Grade White finished 4<sup>th</sup>  
A Grade finished 4<sup>th</sup>  
Our U/ 12 Pendegrast team was unlucky as some of their games were decided in the boardroom

which is fastly becoming the norm in Bankstown. All clubs had directive to preserve the players during extreme weather conditions. Our coach, with our full support took the players from the field because of extreme heat and lost the game on a forfeit. This does not sit well for the club, who will not change their position on players safety, but the BDBA will have to eventually assess their priorities.

## Mustangs accepted into SDJL Competition

Mustangs fielded a team in the SDJL competition in Under 16 competition and were a force. The team was very competitive and had fun. After the competition had completed Ryde, Cronulla Mustangs played a friendly Round Robin, we hope this will be an annual event with some business interested in sponsoring the day. Players from other clubs have shown interest in this day.

## Ground improvements at Boggabilla Reserve

Boggabilla Reserve has the top diamonds fenced in over the Christmas break. This ensures safety to all our players, not chasing balls onto Johnston Road. Watch this space for further improvements over the winter break.

## Birrong Baseball Club & Mustangs Association joint venture

Birrong Baseball Club will officially affiliate with Mustangs Baseball Association over the next season. This move will only strengthen the Mustangs and keep the Birrong name alive.

## Mustangs now set for next season

Mustangs executive are already planning next season and are putting their teams together for Coasties Cup. Anyone interested contact President: George or the Executive of Mustangs. We intend taking Under 10, Under 12 & Under 14 for this weekend.
