Mustangs finish the year on a high

The Mustangs this year finished in 3 of the possible Grand Finals. The Under 10 finished as Minor Premiers, the Under 12 Bourke finished in 2nd place and the Under 17 team finished in 3rd place.

The Under 10 Rookie team again finished Premiers for the year, the Under 12 Bourke team was beaten by a better team on the day and the Under 17 team was also soundly beaten.

The A Grade team also played in the Grand Final and was beaten by a stronger side.

It is a pity that kid's baseball has to be judged on who is the favorite team not necessarily the better team. It was evident that boardroom decisions were to make the difference between winning and losing, but we choose to play in this minefield called BDBA. The powers to be (BDBA executive) should hang their heads in shame over their actions towards Mustangs Club this season.

Congratulations to all teams on a great season against all the odds.

this action was not important enough to thoroughly investigate. What safety do we now have for our kids in the baseball environment? Again a pretty poor administrative decision, especially when the treasurer of BDBA stood and watched this happen.

Mustangs now set for winter season

Birrong are now entering 2 teams into the winter competition. Darren Grech is coaching 1 team and George Johnstone will be coach of the other. Anyone interested in playing winter contact the club by phone or email.
