Aussie T Ball is coming

The Australian Baseball Federation and Baseball NSW will be launching Aussie T Ball in August. This is a development step to introduce children aged between 3- 8 to the game of baseball within the realms of their respective age groups. From all reports all associations around Australia have welcomed the initiative and are recruiting players to be a part of this initiative.

Mustangs again well represented at Coasties

Again this year we the Mustangs Club was represented at the Coast. Although we did not have the success we were accustomed to at the Coasties we were not disgraced. Of the 6 games played (against association true age players) we won 2, drew 1 and lost 3 all of which were close games.
