If a coach has not already been appointed, the committee will contact the parents of the team in order to obtain volunteers to coach and manage the team. TRAINING DAYS

Training is held weekly at our home ground at East Heathcote. Each team’s coach will discuss and negotiate the timing of training days & times with parents. As the grounds are shared by a number of teams, this is also arranged in collaboration between coaches.

EQUIPMENT

All new junior T-BALL players will be provided with a new baseball glove by the club. All other ages will be required to provide their own glove as a minimum along with the uniform. Bats, catches gear, helmets etc are provided in the “Team Kit” however kids are more than welcome to bring their own. Due to Covid-19, restrictions may be applied to the sharing of equipment – more information will be provided on this as the competition start date gets closer.
