2018/2019 baseball season

We have prepared the following information to assist all coaches and managers during the coming season.

Welcome to all Coaches and Managers

Welcome to St Pats Baseball Club!

Thank you for your assistance this season. Your contribution and commitment is especially welcome.

This manual has been assembled to help you understand what needs to be done during the course of the season and will assist to answer many of the questions of anyone new to these roles. While the manual is helpful, the Committee is always there to support you when needed, so please don't hesitate to ask for help.

Success as a coach can be measured in a number of ways – it can be by the number of kids who come back to play the following year, and the pleasure they get from playing the great game of baseball. As a coach, you will not only be imparting your knowledge of the game, but also your sense of sportsmanship, and you will be moulding your players' expectations of what it means to be part of a team. Your enthusiasm and your encouragement will have your team turning up each week ready to play.

At St Pats, we also have a number of experienced coaches ready to help with technique and advice. They are willing to help with planning practice sessions or on game day. Please feel free to ask for assistance.

Managers have a critical job in supporting the coach and bringing the team together. The parents will be looking to the manager to keep them informed of what is happening within the team and the club.

Coaching and managing is a rewarding experience, and I know you will enjoy the season ahead.

Jamie Roche
President

Good luck and have a great season!

8 Wet weather procedures on training days

The Council Wet Weather Line number is 9710 0105.

If the Council closes Waratah Park, we cannot use the grounds. If we use the grounds when they are closed, the club can be fined. GROUND CLOSED means no training.

If there is any doubt as to whether the grounds are open or shut, please contact your team manager who is responsible for checking the status of the grounds.

9 Wet weather procedures on game day

CSJBA, CSMLBA and StGBA - Notification Process

Ground co-ordinator

- Ground co-ordinators are to assess their fields as early as possible on game day (also refer to General Comments).
- If deemed unplayable advise the Association Wet Weather Co-ordinator by phone ASAP.
- Take appropriate club level procedures for internal club notification.

Association Wet Weather co-ordinator

- Update the recorded message.
- SMS the following:
 - Association President
 - Association Secretary
 - SSBUA Umpire Allocations Officer

Player, Parents and Spectators

- Contact the Wet Weather Line on 1902 260 530 to hear the recorded message.
- The message will be updated as ground closures are notified.

General Comments

- If a field is identified as unplayable early (midweek) notify your Associations Draw Co-ordinator/ Competition Convenor as some games may be able to be accommodated at other fields. If games are moved due to ground closure ensure the Association Wet Weather Co-ordinator is notified so that reallocations can be recorded in the message.
- CSJBA notifications should be made no later than 7.00am on game day.
- Clubs/teams will have their own internal notification processes.
- The Saturday message may also contain instructions for Sunday games.

10 Ground set up and pack up

Each week teams will be allocated to set up the grounds. Notification will be provided via the website a few days prior to game day.

It is then the manager's responsibility to organise sufficient people to mark out the diamonds, open the dugouts, put out the bases, players' benches, banners, the cabanas and any other relevant equipment (at least 3 parents from 2 teams are required).

The 2 baseball diamonds are to be marked out and 2 to 4 tee ball diamonds may also be required, depending on the draw. It is imperative that the baseball diamonds are marked out first as the early games commence at 8.30am.

Also, if your team is playing the last game on any diamond, you will be required to pack away all equipment into the container.

Please pick up the metal bolts holding any bases in the field only but NOT the metal sleeves on the baseball fields. These remain in the ground and a sleeve cover is inserted so that they do not fill with dirt. The benches, sun shades, tables and chairs and the BBQ equipment must all be stored in the containers. At the conclusion of game day, the containers, the canteen and the storage rooms are to be locked.

It is expected that all teams will fulfil their duties, but if you have any problems, please contact the President.

11 Canteen / BBQ duty

The St Pat's canteen is located at the end of the Rugby League Clubhouse, facing the top field (that is, Rugby League field).

The canteen will be open and the BBQ will be operating from 8.00am each Saturday by a committee member and teams will be rostered onto help both in the canteen and with tending the BBQ. Notification will be provided via the website a few days prior to game day. Teams will need to have at least 3 parents from their team to assist with the duties. A committee member will be available to lock up.

If you have an early game at Waratah, you will be rostered for early canteen duty. Similarly, if you have a late game at Waratah, you will be rostered for late canteen duty. Canteen and BBQ times are listed on the Game Day Draw and Duties menu on the website.

For U14s and U17s teams playing afternoon games, they will be required to perform both canteen and BBQ duties.

The last shift will be expected to assist in packing up the goods, wiping down the canteen benches, sweeping the floor, emptying the urn and turning off the pie warmer.

The canteen and BBQ roster is determined by the teams playing at Waratah, and some teams may be rostered on for duties more often than others.

Children are not permitted in the canteen as they are not covered by insurance.

If you have any questions, please contact the President. The canteen phone number is 9521 6648.

12 Scorers

Each team is expected to supply a scorer. It is up to the parents whether they share the job around or one person agrees to score for their team for the entire season.

Scorers should sit together behind home plate. In the case of a discrepancy in the score book, it can be sorted out easily.

Every season a scorer's evening is conducted for novice scorers. These will be notified via the website. If you have any questions, please contact the President.

13 Umpires

The club supplies umpires for all home games at Waratah Park.

Because of CSJBA guidelines concerning Duty of Care, ONLY umpires with a minimum of a Level 0 accreditation may umpire. If a club is unable to provide umpires, a parent without umpiring accreditation MAY NOT step up to the plate and umpire the game.

Umpires are not a protected species. However, they are a valued resource who deserve to be treated with the utmost respect. All the umpires officiating at Waratah are home-grown (ie. kids who have played junior baseball with St Pats). The same situation would generally apply to other clubs.

You are entitled to ask an umpire for clarification, but there is a right way to ask and a wrong way. All St Pat's coaches should know the correct way to approach an umpire and how to sensibly ask a question. Remember, it is a judgment call. Kids' playing the game is the main reason why we are there on a Saturday morning/afternoon. Arguing with the umpire is not. Get over it and get on with the game.

14 Home ground levies (Umpire fees)

Generally, it is easier for the manger to collect a flat fee from each parent at the commencement of the season. This can be calculated by assuming that there will be 9 games played at home at Waratah.

Please note that the U17 and the U/14 teams (playing an afternoon game) are required to pay for the umpire/s whether playing home at Waratah or playing away from Waratah.

The procedure for the payment of umpire fees follows over the page.

Procedures for the payment of umpire fees

| Division | Fee | Distribution |
|------------------------------|---|--|
| Tee ball (U/8 and U/9) | \$15.00 (When playing home at Waratah) There is no charge for the umpire when playing away from Waratah. | Place money in an envelope and write team details on front. eg. | U/17 Baseball | \$25.00 Per team per umpire* whether playing home at Waratah or playing away from Waratah. *Note: It will cost \$50.00 if there is both a Plate and a Field Umpire. | Pay the umpire/s at the plate meeting. |

15 Match result sheets

No matter where you play, you must complete and lodge a result sheet at the St Pat's canteen by 5.00pm on game day (Saturday). If the canteen is closed, please slide your result sheet under the canteen door. This is the door with the steel grill at the southern end of the building facing the bicycle track and Lincoln Park.

Results must also be sent via SMS to the Recorder as soon as possible following each game.

The result sheets must be completed in pen, not pencil. Ensure players from both teams are listed on the sheet and it is signed by the umpire/s at the end of the game.

If your team is Green or Black, you must record this on the sheet also.

If you play say a Giants team, and there are 2 Giants teams in your grade, then you must identify which Giants team you played (eg. Giants Blue or Giants White).

16 The website

Please regularly visit the club's website of <http://stpats.baseball.com.au>.

It contains all the information you need to get you through the season.

The News Hub will keep you abreast of all things of importance.

You can submit and find your team's match reports and research past season information and team records.

The committee contacts page will ensure your club representatives are always at easy reach.

The website also features a separate menu for its senior players.

17 Match reports

You are welcome and encouraged to submit match reports to the Webmaster.

Kids love seeing their names in print, so please take some time to write about your children's games and forward your match reports via the sub-menu on the Juniors tab on the website accordingly.

Reports may be found by clicking onto each individual team's page on the website. Photos may also be submitted with, of course, having firstly obtained the appropriate photographic approval from your team's players.

18 Kits

Please take good care of your team's gear. If you require any equipment, please contact the Gear Manager. Please remember that players should wear chin straps when wearing helmets.

19 Uniforms

Coaches will be kitted out with a club polo shirt and club cap. Parents interested in purchasing a club cap should enquire at the canteen or call our Uniform Manager.

Correct uniforms should be worn at all games. The club cap must always be worn the right way around (not back to front) and shirts should be tucked in at all times.

20 Team photographs

Team photos will be organised during the season. The date and times will be advised on the website.

21 Fundraising

Throughout the season, there will be various fundraising and social events organised. These will be advised on the website.

22 Monthly club meetings

A representative from each team (preferably the coach or the manager) is requested to attend the monthly club meetings held at Gynea Tradies (57 Manchester Road, Gynea) commencing at 7.30pm and concluding by no later than 9.30pm. These meetings aim to keep coaches and managers up to date with the latest club related news and also provide the opportunity to discuss any concerns.

Note that the meeting date is subject to change, depending upon the availability of the committee members.

23 Presentation Day

The Presentation Day is likely to be held in April or May. The date will be advised on the website. All players receive a participation trophy, a year book and each team is awarded a Most Valuable Player, a Most Improved Player and a Coach's award or a Players' Player award. The venue of the Presentation Day will be advised towards the end of the season.
