

Who'll eat humble pie?

Well that's the question being asked around baseball at the moment. Why? Because it's so hard to split the two teams to compete in the President's Vs Patrons' 50th Anniversary Team Challenge on Sunday December 4 at Waratah.

Camaraderie will be set aside once the teams take the diamond. The competitive juices will flow, the combative spirit will rise and the umpires will need to be on their game too.

Each team includes a number of luminaries from current and past ranks. There are players from various representative ranks too making a very welcome return to Waratah.

So come along and be entertained by a game in an All Stars like format. The entertainment begins at 12.30pm with pre-game preliminaries, including a ceremonial first pitch. The game itself will commence at 1pm.

The game will be followed by the winter season Seniors Presentation. This will include the presentation of the prestigious Black and Green Award, recognising the best and fairest player from our three winter teams.

The canteen will be open for the usual fare. Bring your own refreshments (**please note no bottles**).
