Try Baseball Days

Saturday 19th & Saturday 26th August 2016

2:00pm – 4:00pm

Figtree High School, Gibsons Road, Figtree.

Bring along any of your friends that may be considering playing, as we'll have some coaches & novelty items on show, so they can have a try. It will be a fun day for all.

Registration

This year Baseball Australia and Baseball NSW have moved to an online registration system. The Cardinals Club will not collect any paper registration forms to register players this year. Details will be sent out to the Cardinal Families with more details in the near future. It will also appear on our website and facebook pages.

As part of the online registration the Cardinals club will no longer collect cash or cheques, and payment must be made online in a single payment using a credit card or PayPal as part of the registration process. If you believe this will cause issues for your registration process, please discuss with Nathan or Glenn and the club will see how we are best able to help and assist.

The Cardinals Junior Committee understand that this is large step change from the way it has been done in the past, and we will do everything we can to assist all of our families through this process to get every player on the field and having fun.

We are always looking to increase our numbers, especially in the younger age groups, so if you know anyone that may be interested (school friends, relatives, other sports, etc) OR are in a position to add something to your winter sport's or school newsletter then please do so.

We also have available a large number of professional printed flyers that we can provide for distribution which details our forthcoming Aussie T-Ball/Try Baseball days.

You can also direct anyone to our web-site (<http://www.cardinalsjunior.baseball.com.au>) where you can obtain further information about the club.

Remember there is no need to sign up/pay any money until they are comfortable they wish to participate.

Our web-site also has a link to our Facebook account – if you haven't already, click on the Like button & we'll be able to keep you updated with items that are occurring within the club.

Should you have any further questions please feel free to talk to myself or any of the junior committee members listed at the top of this letter.
