

# INTERNET and MEDIA CONSENT POLICY

Dated: 21 July 2017

## Useage of players names, photographs, images and video clips:

<b>1</b>	Due to current legislation it is necessary to seek consent for the use of your photographs/ images and names on electronic, print, verbal, visual and social media*
<b>2</b>	Mets Baseball Club Inc would like to promote the club, our teams and sporting programs as well as recognise the achievements of registered players, committee, members, volunteers and supporters.
<b>3</b>	It is important to note that websites can be seen throughout the world, and not just in Australia, where Australian law applies.
<b>4</b>	We understand that although people like to see their names and photos on websites, newspapers, television, social media and promotional media, this can have implications on individuals and their families.
<b>5</b>	Consent is given by registering a player via the Baseball Australia online registration process.
<b>6</b>	Any decision prohibiting the use of players name or images will be respected by Mets Baseball Club Inc under Privacy Laws.
