Apologies: Matt & Euse Ireland, Christopher Hook, Paul and Leonie Butler, Bill Kapela, John Bradley

President's Report:

Matt Ireland sends his apologies for not being here tonight.

To begin 2016, Belmont hosted the Combined High School Tournament in March at Miller Field Belmont. This saw seven teams from across the state compete over four days. A huge thanks goes to all involved in running the canteen, working on the grounds and ensuring the tournament was a huge success.

This year we ran a very successful campaign fielding two Junior teams in each age division. A big thank you to those who coached scored and made this possible. We were 2016 Junior Club Champions; this was the second year in a row.

A huge achievement was that we also fielded two teams in 3rd and 4th grade with 4th grade playing each other in the Grand Final and 3rd Grade playing in the grand final. A big thanks to Steve Pack and Ian Hook for their involvement in these teams this year.

2nd Grade was unlucky this year. 1st grade won in what was a remarkable game making in nine grand final wins in a row.

Finally I would like to extend a huge thank you to the Committee Members and our members as a whole, for another great year.

Treasurer's Report:

See Treasurers report in 2016 Annual Report

2016 was a big year. 2016 saw spending on equipment and ground maintenance like we hadn't before.

Questions rose from Treasurer's report

Paul Ireland - It is worth noting in relation to the treasurers report that the new format of the NBA saw an additional amount of work placed upon our Canteen and BBQ crews. Many of our volunteers in the canteen and BBQ did not have very much time off which reflects in the extra money that was made by the canteen. The commitment by our canteen and BBQ volunteers is immense and they need to be congratulated for the valuable contribution that they made for or club.

I believe that we as a club need to encourage more of our members to volunteer and help out as we no that the NBA will be using the same format for the 2017 season.

Andrew Poole - It is worth noting that our sponsorship for 2016 is quite low. This is an area that we as a club need to get behind, an area where all members are encouraged to get out and talk to organisations or people that they know who may be able to give some sponsorship.

Jace Poole made note that he sent a large number of emails out within the community and did not receive any replies back.

Kim Hook made not that she attended a meeting in town, which did have a discussion about sponsorship. During this discussion as point was made that obtaining sponsorship is about getting out and about and knocking on doors and speaking with people.

It was discussed that we as a club need to encourage and would most certainly welcome any of our members approaching people, organisations or businesses to obtain financial sponsorship for our club.

General Business

Andrew Poole discussed the Belmont Sporties Club. The Sporties Club has come out of liquidation and is now back in the hands of members; officially where we sat approximately three years ago.

The club does still possess a small amount of debt and are no longer the owners of the club. The club now has a ten-year lease. There are currently about 6500 members. We as a club need to encourage all of our members to be members of the Sporties club to assist in supporting the club.

The Sporties Club does intent to engage with sporting bodies.

There are plans to develop the bowling grounds as per previous plans.

Would like to encourage and be diligent in encouraging all of our members to become members of the club. The Sporties Club Board at this stage will remain unchanged with elections not until May 2017.

President's Report

As a very proud club president I would like to congratulate everyone involved with the club for another great year.

Someone mentioned to me shortly after the season that we didn't have a very successful season this year, and I guess if you consider success just to be premierships that would be true. But I disagreed strongly with this person. Once again we fielded the most number of teams out of every club in the competition, fielding teams from t-ball right through to 1st grade, including two 4th and two 3rd grade sides.

Our on field achievements were Senior Club Champions, 1st grade grand finalist's for the 27th consecutive year! 2nd grade minor premiers, 3rd grade grand finalists, 4th grade minor premiers, 5th grade minor & major premiers, senior league grand finalists and junior league grand finalists.

Off the field we secured a state government grant and continued with our improvements to Miller & Lumsdon fields, adding drainage and new turf. We also bought a ride on mower to assist with the maintenance and our grounds have never looked as good. Whilst many club members contributed to these works and I am very thankful for their hard work I must make special mention to Mark Thomas and John Williams who worked tirelessly to oversee the completion of these works and ensure our fields looked great throughout the year.

Our club also had too many people to count who made representative teams from juniors through to seniors and we supplied many coaches to these teams as well. So in my opinion I think most clubs would love to achieve what we achieved this year, and so for me we have had a successful year.

I would like to congratulate Toronto baseball club on winning their inaugural 1st grade premiership and commending them for a fantastic grand final day at Waterboard Oval. Unfortunately for us that means the end of our most successful era in club history, with our 1st grade side falling just shy of the elusive 10 grand final wins in a row.

Whilst I consider it to be a successful season we have a lot of work ahead of us for us to continue to be a force in the competition. With a number of players set to retire or leave due to other reasons we must work hard to continue to develop our junior players. Next year will open the door for a number of the younger guys who have been holding their own in 2nd and 3rd grade but will now get their chance to play regular 1st grade and I encourage these guys to take this opportunity and own it.

I would like to thank both Adam Blight and Mark Dries for their service to our club over their careers, these two guys have been arguably some of the very best to wear the "Blue & Gold" and have both achieved

remarkable things in a baseball uniform. Whilst they will be an extremely big loss to our club I wish them both all the very best for their future and life without baseball. You will always be a part of our family.

I'd also like to thank Steve Pack. Steve joined me this year as the Vice President and took on the role of co-ordinating the juniors. The junior players are our life blood and the future champions of this club and it was great to Steve put in his time to ensure this flourished. I know he had a lot of assistance with this but for me personally it was a great relief knowing I could sit back and trust things were moving in the right direction.

I'd like to take a moment to thank our sponsors for their generous contributions this year. Belmont Sporties, Bibina, MPC Consulting Engineers, Redline Direct, Cameron Davis Building, Grenada Promotional Products and Coates Hire. Sponsorship and fundraising are an integral part of our club and without this support we could not afford the luxuries that we have become equipped to.

I'd also like to thank all of the coaches, scorers, bbq and canteen staff, groundcrew, umpires and of course the committee for all of your hard work throughout the year, it really is a thankless job you all do and you continue to do so week in and week out and I really can't thank you all enough. I'd also like to thank my wife Elese for everything you do and for the time you allow me to put in.

I'd like to finish by encouraging as many people as I can to get in and lend a hand around this great club. Things don't just happen, people make things happen and together we can continue to ensure our club goes from strength to strength.

Secretary's Report

2017 marked my fourth year as the Secretary for Belmont Baseball Club. I love being part of a great baseball club, which many of us would agree is like another big family.

2017 has been a great year for our club marking some great achievements both on and off the field.

In 2017 we were fortunate enough to secure a grant, which allowed us to do some major work on both Miller and Lumsdon Grounds prior to the start of the season. Once again our club showed its strength with many people stepping up and volunteering their time to work hard and make this happen. The result was some pretty awesome looking grounds for the start of our season.

Once again, Belmont Baseball Club entered the highest number of teams across the entire Newcastle Association. This achievement is due to the continual commitment of the committee and coaches. We love seeing our players turn up year after year and are happy to see our junior numbers remaining one of the highest in the Newcastle Junior Baseball Association.

The format of Senior baseball again proved difficult for us in managing our volunteers week to week. As with 2016, we had some challenges ensuring we had enough volunteers on home game days. Once again the strength of our club was evident with any call for help promptly answered. A big thankyou to many of the people who stepped up and helped us out with setting up the grounds, cooking the BBQ and any of the other jobs that needed to be done. A good club can not run without good people, luckily Belmont Baseball Club has a never ending number of good people who are willing to step up and help out when asked.

During the season we had a number of social nights, which included a great family night out at the Trots. Big thanks to Billy Kapela who does the legwork so we can all have a great night. This night in its 3rd year this year is now a definite annual event for our club.

We enjoyed a number of successful Fundraising events this year with our annual chocolate drive, Senior Trivia Night and Entertainment book sales.

2017 saw our club invited into the Sporties Club where we took part in running the raffles at the Sporties Club of a Wednesday Night. This has proved to be a very lucrative couple of hours spent for us as it has allowed us to purchase a great deal of equipment including new uniforms and a ride on mower. The raffles continue throughout the offseason as well.

It takes a great deal of commitment to keep a club running and continue to enjoy the success as we do.

I would like to thank the many volunteers we have at Belmont Baseball club. Many of our volunteers give up so much of their own time so that the wheels keep turning even in the offseason.

I look forward to continuing on in my role as Secretary in 2018.

**Kylie Pack
Secretary**

First Grade Report

This season didn't quite go to plan, with the Grand Final resulting in Toronto's first GF win in 69 years.

I would like to thank Ian and Kim Hook for their assistance and support this season. Also a big thanks to the committee, canteen, BBQ and ground crews for another fantastic effort. Without you guys the club wouldn't function as smoothly as it does.

We used 21 players this year, which was an indication of the inconsistency we had throughout the season.

Notable performers for the season were:

Batting Average: Greg Allen - .422, Sam Brown - .410, Jace Poole - .383 and Mark Dries - .370

RBI's: Jace Poole - 12, Tom O'Gorman - 11, Greg Allen - 11, Chris Hook - 9 and Ed Figueroa - 8

Innings Pitched: Mark Dries - 26.0, Jace Poole - 23.2 and Adam Blight - 20.2

ERA: Tim Cox - 1.64, Jace Poole - 1.94 and Adam Blight - 4.01

Fielding Average: Ed Figueroa - 1.000, Sam Brown - 1.000 and Adam Blight .973

MVP -- Jace Poole

Coaches Award -- Greg Allen

The 2018 season will present many challenges for the club, and in particular the 1st grade team. Some of the Grand Final team will not be returning for another season and this will require many of our younger players in the club to stand up and fill those gaps.

A special mention should be made to the service provided to the club by Adam Blight and Mark Dries. Thanks boys, it has been an absolute pleasure spending our Sunday's with you.

Looking forward to coming back next year and doing it all over again.

Duane Harrison
1st Grade Coach

Second Grade Report

The 2017 second grade team this season was without a few of its senior players who played 3rd grade this year and made way for a few younger guys to prove themselves.

Without this experience it was always going to be a challenging year but would allow us to bring the younger guys through and get them prepared for 1st grade in the future. While there were only 5 teams in the competition, the competition was fierce and early on Toronto proved to be the team to beat.

Throughout the year we managed to stick close with Toronto and the final round of the regular season gave us a chance to play them for the minor premiership. We played one of our best defensive games all year and prevailed 3-2 to claim the minor premiership for 2017. Unfortunately we went down to them the following week in the major semi-final 11-3 and had to face a very good Boomerangs side in the final who had generated a lot of momentum late in the year and were out to cause an upset. An upset was almost on the cards with the good guys getting over the line 7-6 and advancing to the grand final.

Toronto were always going to be tough on grand final day especially on their home turf and in front of their supporters. But we never thought it would go the way it did. We came up against a very determined Toronto side and we were not prepared for what followed, a 16 nil mercy rule victory to Toronto in possibly their best performance all year. Congratulations must go to Toronto and at the very least it gives us something to work toward for next season.

I'd like to thank all of the players for their time and commitment this year, in my first year as coach this playing group made things very easy for me (although quite stressful at times) and I look forward to doing it all again next year.

I'd also like to thank BL for his assistance and knowledge throughout the year as my assistant coach and our scorer Elese for giving up her time to score for us as well as to Tubby for his advice and guidance.

Matt Ireland
2nd Grade Coach

Third Grade Sporties Report

The 2017 3rd Grade season was one of the stronger competitions in recent memory. The competition consisted of a strong Phoenix side that took out the minor and major premierships, Toronto, Boomerangs, Nelsons Bay, University, White Sox and two Belmont teams.

Taking on the coaching role whilst playing was not easy, nor was our season, with several injuries throughout the season and a couple of player swaps between our two 3rd grade teams, we used a total of 25 players during the season. With the line-up changing every week, we stayed competitive in a strong competition sitting in 2nd place for the majority of the season. Unfortunately the end of our season did not go to plan. With 3 games to play we were sitting in 2nd, but we had a tough final 3 games. Needing only one win to secure a finals spot we struggled to score runs, as we went down 8 - 3 to Toronto. We then suffered a beating by our other Belmont team 18 -

2. The final game of the season would see us play Toronto again, unfortunately we couldn't get the job done and lost the game 4 - 1 ending our 2017 season.

I would like to thank all of my team mates, although the season didn't go to plan I had a great time playing ball with you all. I would also like to thank Leanne Connett who gave up her Saturday afternoons every week to score for us, Mark Thomas our 4th grade coach who stayed back every week to help out with the coaching on the bases. All of the 4th graders who every week stuck around and filled in for us when we were short, without you all we wouldn't have been able to put a team on the field each week.

**Trent Ireland
3rs Grade Sporties Coach**

Third Grade Seagulls Report

I would like to start by thanking the BBC for the opportunity to coach this team. I have thoroughly enjoyed it and have learnt some valuable lesson in being a player coach.

This was my first year coaching 3rd grade and let me say playing on a Saturday afternoon was great. The 3rd grade competition this year was very tough with a number of teams bringing out some players who have not played in a few year but can certainly handle themselves on the baseball field. With some old rivalries being re kindled there wasn't many easy games. We finished the year in third place behind Toronto and Phoenix who got the minor premierships.

We played Boomerangs in the minor semi in which we won 7-5. A close game in which we played well as a team for the whole game. The next week we played Toronto in the final that we had not beaten all year. We again played well and beat them 15-3 to give us a chance at the grand final against phoenix.

The grand final was not our day with a very strong Phoenix side we had to play very well to compete. We went down 15-4. I was extremely proud of our playing group who stood up at the right time of the season when I challenged them.

We used a total of 25 players to get through the year which is a testament to the depth of the club. I had some young pitchers in the side this year Aaron Griffiths and Brett Allen. These guys done a fantastic job and I hope they didn't get sick of me saying I don't like 'WALKS' when they are pitching. Some old stall warts of the club helped complete a very balanced team. Thanks to Packy's 4th grade side that help me out when required.

A big thanks goes out to Stephen Pack, Brian Clenton and Rob Brannam who all help me with coaching throughout the year when they could.

To my scorer Belinda Herrera. I thank you very much for putting your hand up to score for me this year, you were a pleasure to work with and I dearly hope your available for future years.

Thanks to all that makes this club what it is!

**Brad Sturgeon - Boppa #3
3rd Grade Seagulls Coach**

Fourth Grade Sporties Report

A rookie coach in charge of a team made up of a few rookies, a few old heads and some young legs, aged from 16 to approaching 55. Sounds like a 1990's feel good American baseball sports movie where the team of misfits come from behind against all odds with the dorky kid, Token, smashing a walk off home run to take the premiership.

Well the season didn't quite go according to that script, with a few more losses than wins leaving us with the plastic spoon, a couple of places away from the wooden one, and a fair way away from the silver spoon.

Still, when we began the season, all that I asked of the team was to be on time for warm up, try to get to training at least once in the season, reply to my messages, play the game for what it is – a game, bond as a team and be good to your mother. If we won a few games along the way then that was a bonus.

Certainly by the end of the year no one was ever late to the game, everyone who finished the season made it to training once, we managed a 99% text reply response, the game was played hard and fair, and, as evident by our final warm up joke session at our last game at Toronto, we certainly came together

as a team. (Brad Hartley and Chris Mahoney – your secrets are safe!)

And I am sure everyone is still good to their mother!

A couple of special mentions must be made:-

- To Leanne and Karen - thanks for scoring; you are absolute legends (although the error count always seemed a bit skewed...)
- To Trent - a big thanks for helping out each game. Turning up early for our games to help base coach and offer advice to our young pitchers was much appreciated.
- To Dan - thanks for putting on the catcher's glove when both our catchers dropped off the perch.
- To Leigh - your enthusiasm and encouragement as a new player was infectious.
- To all the other guys - Brad, Chris, Tom, Jaimi, Matt B., Matt S., Rowan, Zac, Jordan, Riley, Glen and Conor - thanks for a great season.

If there was a stat for the amount of fun I had this year on the field I reckon I would have a Golden Glove. I hope to see you all next year.

Mark Thomas
4th Grade Sporties Coach

Fourth Grade Seagulls Report

It is my pleasure to report on the 4th grade Seagulls team for the 2017 season. Over the past few years this team has consisted of experienced players who had produced 3 major premierships in 4 grand final appearances. However, time moves on and with a few players unavailable and others choosing to show off their skills in the 5th grade competition, the 2017 4th Seagulls had a vastly different make up.

We started the season with 2 early losses and as it turned out these were to be our only losses for the season. The team was far from dominating the competition but they played each game in the 'Belmont Spirit' and ground out some memorable victories including a number of 'come from behind wins'. In what turned out to be a tight competition, we finished the regular season as Minor Premiers. This was an outstanding result for this new team.

The Finals Series proved disappointing as we bowed out in 'straight sets'. Losing the Major Semi to Lakers and the Final to University. On reflection, a fair result against the quality of both opponents we faced in each game. It is certainly difficult for 6 team clubs to compete against the smaller 2 or 3 team clubs who can manipulate their players/teams to have their strongest players playing the finals.

To the newcomers in our team this year, Greg, Shippy and our 2 juniors, Josh and Brenden thanks for the year. I hope you enjoyed playing with us old folk. It certainly was a pleasure having you guys in the team.

A special mention to Padre, BL, Jonny and Belly thanks for your continued performances and support throughout the year. You guys always turned up to provide mentoring (good and bad) to our younger players and this is what I see our role are for the club.

Congratulations to our award winners. Both recipients are very deserving and had great seasons.

A special thank you goes to Belinda Clenton who volunteered to score for us this year. It a tough gig Bel so I thank you for taking the time to learn and support our team. We all appreciated it.

On a personal note, a big thank you to my dad, Graham who came along every game and helped out coaching first base and organising team line ups for me. Getting to play/coach a team that has three generations of your family in it is a once in a lifetime opportunity, which was awesome.

Finally, congratulations to Lawsy's 5th grade team. What a mighty effort. It's been a long time in the making but 5th grade Minor and Major Premiers fits well.

Hope to see you all for the 2018 season

All the best

**Stephen Pack - Packy
4th Grade Seagulls Coach**

Fifth Grade Report

5th is sometimes difficult to understand pre season, the roster is never quite clear and training has never been a strong point.

2017 as usual brought the normal challenges, adding to this retirement of long serving key players and planned 'gap years', recruiting had to start early and negotiations were intense. The format jiggle for Saturday baseball and another year of double 3's & 4's, assisted our recruiting to some degree, minor league is all about the time slot. It wasn't only about the roster an opportunity to add coaching staff to the entourage proved a real advantage

Several NBL clubs have 5th's as their highest grade, these teams present some real obstacle for us throughout the season, these clubs had some talent from the past and were again a threat.

Game 1 started well with some fine hitting, unfortunately the 5th grade loooong innings returned with some game 1 rust, the result was ugly but possibly the loss we needed. The season continued with a couple of wins and 2 draws thanks to some advice from the scorers box, timed games are so much more fun without official umpires !.

Mid season saw us 4th or 5th on the ladder, the draws were making us look worse than our potential, too many times we have been robbed in similar circumstances. Attitude realignment was required, that training session deep into a Saturday evening made the difference. The pitching depth and strategy

for the thirsty fives this year meant that our opponents were confused and sometimes threatened, this was particularly important on several occasions late in the season. This depth effectively won us the minor premiership in the last couple of games, the stars were aligning.

The post season unfolded as planned, a win over our only real completion in the major semi meant that we progressed to the big show. A week off was necessary for recovery.

5 long years we have been waiting for a return the Grand final, 15 even longer years since the thirsty fives have been able to taste success. The home of baseball was the appropriate venue to exorcise the demons of 2012.

A determined display on the mound and aggression in the Batters box meant the results was never in doubt, Minor premiers, Major Premiers, most valuable player 5th grade, most valuable player grand final, Belmont 5th grade 2017.

Many thanks to Belmont Baseball club executive and committee, Belmont baseball club is best in class.

Sixth Grade Report

For the first time in many years, 6th Grade had no new players to the game, while we had some new team mates in William Bull and Steve Mudge, who added eager base running and a great sense of humour, respectively, to the team.

We had some close games this season however, we did not win enough games to make it through to the finals. We had a great starting pitcher in Cal we lacked depth in this particular position which made finishing off strong difficult.

Stand out players this year included Cal Turnbull, Wendy Lugg who really improved her pitching and even gained a spot on the Newcastle Women's Representative team, Daryl Bull and Will Bull.

As previously mentioned, Will was an excellent addition to our team. His base running abilities proved crucial at times and his positive attitude towards the game paired with his willingness to what was best for the team, including catch a complete game after already playing juniors in the morning, were welcomed assets. It is this passion that saw Will

awarded with the Coach's Award for the season. Something must have been in the water in the Bull household this season as it also saw Daryl Bull have his best season in a long time. Daryl had a batting average of .500 and a slugging average of .714 along with 9 stolen bases, only to be out done by his son who had 10. It was great to see father and son have such an enjoyable season together and achieve so much.

Thank you to both Jenny Barclay and John Williams for being our scorers for the season. Also thank you to Will Bull for being my manager throughout the season and to Emma McKellar for coaching the team after I left mid way through July, you did a fantastic job and knowing I could rely on you made it easier to leave.

Overall it was a highly enjoyable season for the team and we can't wait to begin next season.

Little League Blue Birds Report

2017, wow how the year has flow. The year started with a great turn out for the come and try days and with more than enough to field one team, the Blue Birds were born. With 5,6 and eventually 7 teams for the Little League season this year, it was going to be a great year with plenty of Baseball.

There were six players from Belmont and six players Phoenix to create the Blue Birds and the boys challenge all the way to the play offs. Koda Drummison, Sam Miller, Zac Buckton, Boston Browne, Alax bailey, and Kade Davis showed great leadership, teamwork and friendship and should be very proud of their achievements.

I would like to thank Kelly and Daryl for being a major part of the training nights, without you there would be no LL team for Belmont. A special thanks to Kayleen for scoring all year long for the Blue Birds as well.

Little League Report

This year started a little slow for the little league team. We barely had enough players to make 1 team and about 2 weeks out we ended up with 16 players causing some of the players and 1 coach to merge with the excess players from Phoenix.

We started the season with 5 first year players who improved each week by training, playing and working hard to improve their skills.

I had a terrific assistant coach in Kelly Elasi. With her vast knowledge and experience assisting the children saw them flourish throughout the season.

A huge thank you to the parents who bought their children to training and games each week and assisted Kelly and I behind the scenes. By encouraging all the children in the team certainly boosted their spirit and enjoyment of the game.

Riley Spruce, what can I say about this young man. He turned up the first week to support his brother and volunteered to score and what a magnificent effort he made throughout the season. He had the stats ready for Kelly and I if we asked and after the game emailed the score sheets to Maxine for her to update the stats for the team. His effort made the coaching job easier so we could concentrate more on the players' development.

Chris Brown and Stu Frame from Phoenix were joint coaching rolls with me and without these guys the Blue Birds would not of worked, Thank you very much for your guidance and patience especial with me the rookie coach.

Finally thankyou to the parents and grandparents for getting the boys to training and to the games on time Im looking to forward to 2018 season.

**Jason Browne
Blue Birds Coach**

We finished 2nd on the ladder during the regular season and lost by 1 run in the final.

Great consistent pitching throughout the season by Connor Gibson and well backed up by Jake Spruce and Jack Elasi.

A great catching effort by Travis Isenhood and first year player Darcy Lavercombe who shared the catching duties for most of the season. Both were keen to learn and improved significantly throughout the season.

Congratulations to all the players who made representative teams.

I hope the children enjoyed playing baseball during the season as much as Kelly and I enjoyed coaching them.

I would like to wish all the players good luck with their future baseball endeavours.

Junior League Report

Our Junior League team this year was comprised of Marshall, Nathaniel, Lachlan, Darcy, Jye, Coen, Ashlyn, Kaelan, Chris and Emily. Some were Little Leaguers from last year's team and we welcomed some new players.

In a masterstroke Ian Hook was appointed to the coaching staff for this team. The knowledge, experience and boundless enthusiasm for the game of baseball "Hooky" brought to the team was invaluable.

Ian would throw batting practice as long as the kids wanted at bats, he'd stay back after training so a pitcher could throw a bullpen.

Sometimes when training numbers were low, some lucky players found themselves the sole participants of a Hooky master class.

Our squad has kids of all different abilities, but Hooky got all the kid's improving and broke the drills down for the more novice players. It is a credit to him that 7 of our kids were selected in the Newcastle Rep side.

We operated with a game plan that allowed us to switch infield and outfield players halfway through the game. The players experienced nearly every position on the field. Anyone who wanted to learn to pitch was taught at training and by seasons end nearly everyone had pitched during a game.

Senior League Report

From every measure the 2017 season was a complete success. The team made the grand final and lost in a very competitive game. The team consisted of a young group of kids with the majority of the team being first year in Senior League. Everyone had opportunities throughout the year to play and start and a multitude of positions.

Training on Wednesday nights with the seniors and using the batting cages proved to be a huge success. Wednesday night with the lights enable the team to train hard both on the field and in the batting cages.

With all the teams in the same area for trainings, this also provided a great club atmosphere and spirit for trainings.

I believe all the kids will be back next year.

We again featured in the grand final this year against Phoenix (only 3 teams in the comp). The team performed admirably, put up a brave fight and went down 5-2 in the end. All players contributed to the team's performance, which is all we would ask.

Our scorers, Kim Hook, Donna Jones and Brett Corrigan deserve massive thanks. It's a tough gig when you'd like to sit back and enjoy the game but they graciously gave their time. Also a big thanks to Jack Elasi from our Little League team who filled in whenever he was needed.

Least but not least I would like to thank Ian who's coaching has improved not only our players abilities but my knowledge of the game as well. Hooky would set the field up, get the team read on the game day and look after injured players, all with his trademark calm, selfless manner. It's been an honour to work with you this year.

Thank you Junior Leaguers for a great year,

Thank you committee thanks Hooky.
