- (b) at the Insured's own expense take reasonable action to trace, recall or modify any products containing any defect or deficiency which defect or deficiency the Insured has knowledge of or has reason to suspect.

16. Sanction Limitation and Exclusion Clause

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

17. Severability

Insurers agree that any act, error, omission, neglect, fraud, misrepresentation, misdescription, non-disclosure or breach of Condition or warranty by any individual insured party shall not prejudice or invalidate the rights of the other parties comprising the Insured who are themselves not guilty of such act, error, omission, neglect, fraud, misrepresentation, misdescription, non-disclosure or breach of Condition or warranty.

18. Subrogation

In the event of payment under this Policy to or on behalf of the Insured, the Insurers shall be subrogated to all the Insured's rights of recovery against all persons and organisations and the Insured shall execute and deliver instruments and papers and do all that is necessary to assist in the exercise of such rights.

Notwithstanding the above Insurers agree to waive their rights of subrogation against any principal where waiver is required under written contract but only in respect of liability for bodily injury and/or Property Damage arising out of the operations performed by the Insured and only to the extent required under said written contract.

19. Other Insurance

If the Insured makes a claim under this Policy in respect of any liability or loss arising out of an Occurrence and such liability or loss is or may be covered in whole or in part by any other Insurance, then the Insured must advise the Insurers of the full details of such other Insurance when making such claim under this Policy.

Subject to the Insurance Contracts Act 1984 (Cth), the Insurers reserve the right to seek contribution from the other insurer(s).

20. Principal Controlled Insurance

Where the Insured is entitled to be indemnified under Principal Controlled Insurance (or would be entitled to be indemnified in the event that the Insured made a claim on such Principal Controlled Insurance) in respect of a claim for which indemnity is otherwise available under this Policy, this Policy shall only provide cover for:

- (a) any liability or loss which exceeds the limit of indemnity provided by such Principal Controlled Insurance
- (b) amounts not recoverable under the above-mentioned insurance because of the operation of a higher excess
- (c) any liability or loss which is not covered under such Principal Controlled Insurance by reason of the fact that the scope of cover provided by such Principal Controlled Insurance is less extensive than the scope of cover provided by this Policy.

Provided that the Insurers' liability under this Policy does not exceed the Limit of Liability.
