Fixture won by \_\_\_\_\_

Captain's Signature \_\_\_\_\_

1. The winning team captain is to enter the results within 24hrs of the game finishing.
2. go to [www.tennis.org.nz](http://www.tennis.org.nz) or put this link on your website
3. On the grey menu bar click Login and then select Captains Login – use your own players code (this should be NB followed by initials of club then your initials) – this allows you to request a password and sends you an email to confirm this – check emails.
4. Use password to get into results page – Enter your match results. There are drop down boxes to select players. There is a *Help* button that provides instructions. Click the *Update* button to submit the results.
5. The Contest Result and Points are calculated automatically. Any errors will be highlighted in red. If you cannot find a player, or have any problems that you cannot fix, then key in notes for the Administrator. The Results will be saved even if they are incomplete or have errors.
6. fix, then key in notes for the Administrator. The Results will be saved even if they are incomplete or have errors.
