About Us:

Angel Archers Inc.

Was founded by 5 Tournament Archers in June of 2011. Crib Point. In June of 2013 we were lucky to be given the opportunity to share Emu Plains Reserve and make it our home training ground, it is such a wonderful area. We are a diverse and social club with a membership that includes people of all ages, and from different backgrounds.

Affiliated with Archery Victoria, Archery Australia and Internationally with World Archery. WA is the world body for archery and is recognised by the International Olympic committee. WA establishes the rules governing the variety of archery tournaments, including target, field, ski, run, flight and clout competitions..

Coaching is available for beginners and experienced archers of Recurve, Longbow and compound style bows. New archers (who have not been registered with Archery Australia previously) are required to attend an introductory course which covers basic shooting, etiquette and safety.

A fee is charged for the course and all the equipment is provided. Archers, no matter how experienced, never stop learning, Our coaches and senior archers are happy to assist in helping archers at all levels.
